WILLIAMSBURG COUNTY SCHOOL DISTRICT SHINES SPOTLIGHT ON STUDENT HEALTH SERVICES DEPARTMENT LED BY COORDINATOR JENNIFER LAMB

Williamsburg County School District (WCSD) proudly highlights the exceptional work of its Student Health Services Department, under the leadership of Coordinator Jennifer Lamb, whose dedication continues to enhance students' health, safety, and well-being across the district.

Student Health Services plays a pivotal role in ensuring that every child has the support needed to learn and thrive. Through preventive care, compassionate service, and strong partnerships with families and community agencies, the department continues to safeguard student health from early childhood through graduation.

"Healthy students learn better," said Coordinator Jennifer Lamb. "Our team of nurses and health professionals is committed to providing high-quality care, health education, and support for families. We strive to create safe, nurturing environments where every learner can succeed."

Key Initiatives and Achievements Led by the Student Health Services Department

- Daily oversight of student health needs, including chronic illness management, emergency care, medication administration, and health screenings.
- Implementation of preventive health programs, such as vision and hearing screenings, immunization compliance, and wellness-focused education.
- Enhanced communication with families, ensuring parents receive timely updates, resources, and support for student health concerns.
- Collaboration with local healthcare partners, strengthening access to community services and specialized care when needed.
- School nurse professional development, ensuring the department remains at the forefront of best practices in school health and safety.
- Support for mental and emotional wellness, working closely with counselors, administrators, and student services teams to promote whole-child health.

District leaders commend the department's commitment to student-centered service and its role in fostering safe and healthy school environments.

As WCSD continues to strengthen its whole-child initiatives, Student Health Services remains a vital part of the district's mission to nurture strong, healthy learners who are ready for success in the classroom and beyond.

The mission of Williamsburg County School District is to prepare students for college, careers, and citizenship in a global society.
