Dear Families,

In the continuing efforts to keep our students and staff safe, Cumberland County Schools has partnered with Interquest Detection Canines. The dogs will be visiting each school randomly, twice a month the remainder of this school year and the upcoming school year. The dogs will be visiting all school properties and parking lots where applicable. The dogs are very docile and will never single out a student. The dogs are trained to find various drugs (illegal and legal), guns, ammunition and alcohol. If something illegal is found, discipline will be issued based on Cumberland County School Board Policy and potential criminal charges may be filed by local law enforcement. Should you have any questions about this newly implemented program please contact me at 931-484-6135.

Bo Magnusson

Director of Emergency Management and Security
