FOR IMMEDIATE RELEASE

GROWING LEADERS AND MAXWELL LEADERSHIP RECOGNIZE KMMSA STUDENT AS NEWEST MAXWELL LEADERSHIP STUDENT AMBASSADOR

Growing Leaders, powered by the Maxwell Leadership Foundation, proudly announces the newest cohort of Maxwell Leadership Student Ambassadors (MLSA) — outstanding students who exemplify leadership, service, and a commitment to making a meaningful impact in their schools and communities.

Among those recognized is Kingstree Middle Magnet School of the Arts student, Avielle Griffin, a 7th Grader. The Maxwell Leadership Student Ambassador program is a values-based leadership initiative designed for students from 7th grade through college who demonstrate a passion for leadership, problem-solving, and serving others. The program's mission is to engage, equip, and empower student leaders to solve problems, serve people, and foster positive change within their schools and communities.

Grounded in the leadership philosophy of John C. Maxwell, the program reflects his powerful belief:

"Leadership is not about titles, positions, or flowcharts. It is about one life influencing another."

This principle serves as the foundation of the MLSA experience. Student Ambassadors participate in leadership training, engage in community service initiatives, and apply practical leadership principles in real-world settings. Through mentorship and hands-on opportunities, ambassadors are equipped to create immediate and lasting impact.

Growing Leaders celebrates Avielle Griffin and her fellow ambassadors for their dedication to excellence and their commitment to positively influencing others. Their leadership journey represents the future of servant leadership in South Carolina and beyond.

Congratulations to Avielle Griffin!

The mission of Williamsburg County School District is to prepare students for college, careers, and citizenship in a global society.
