['We Are Seeing the Fires of Revival': Churches Flooded on Easter in Widespread Sign of Awakening](#)

The Bible says in John 12:32 that if Jesus is lifted up, all men will be drawn to him. That truth has become more evident in recent years as a move of God has erupted across the country. From powerful outreaches on college campuses to spontaneous baptisms at churches on Sunday mornings, there have been reports of hundreds of people running to the altars and giving everything to Jesus. And reports indicate Easter Sunday brought an escalation of that spiritual hunger.

[When a Church is Not a Church](#)

Since 2020, more than 80 of the 1,000 largest Christian ministries in the US have asked the Internal Revenue Service to classify them as an “association of churches.” That means the ministries do not file a Form 990, a document that makes public information about revenue, expenses, and executive compensation.

Highlights from Letters to Power 88

I was feeling depressed about getting older in life and not having someone to share my life with. I cried out to God that things would be a lot better if I just had that significant other in my life to share the load of things that I am going through.

While I was waiting on God to answer me, **the song "Who Am I" came on the radio**, and all that I could do was start to cry and raise my hands to praise the Lord. It was in that moment that I realized that I didn't need anyone else in my life except the Lord to rely on for the problems that I was going through. It also made me realize because of all that Christ did for me, who do I think that I am requesting anything in return for just serving Him for the rest of my life? Thank you for letting me share. God Bless.
