

## **RAPPAHANNOCK COUNTY SCHOOLS 2026-2027 SCHOOL BUS ROUTES**

These are the school bus routes for the school year that starts on Wednesday, August 12, 2026. Students are urged to be at their pickup points at least 15 minutes early the first day of school. Some bus numbers and route descriptions have been altered from last year so please be alert for these changes.

Please address bus route questions to Al Payne, Director of Transportation, at 987-8591. Overcrowding or safety concerns may necessitate further route changes. It is suggested that parents of new or very young students have them ride the bus to school the first morning, rather than driving them to school, so that they will know which bus to get on in the afternoon.
