CES Intermediate Student Spotlight

NOvember, 2026

Kinley Carson

Kinley is an outstanding role model for her peers and a wonderful example of what it means to be a leader. She consistently demonstrates a strong work ethic, a positive attitude, and a growth mindset. Kinley approaches challenges with determination, embraces opportunities to learn, and always strives to do her best. However, what truly sets Kinley apart is her kindness and the genuine respect she shows to everyone around her.

The fifth-grade team can always count on Kinley to make responsible choices, follow expectations, and encourage those around her to do the same. She leads by example, showing her classmates that leadership isn't about being the loudest person in the room, but about doing what is right, even when no one is watching. Her compassion, integrity, and willingness to help others make our school a better place.

Kinley is the kind of student every teacher hopes to have in their classroom, and we are incredibly proud of the positive example she sets each and every day. We are so fortunate to have Kinley as part of our fifth-grade family!
