Student Spotlight: Reagan VanVoorst

Dear Members of the School Board,

I am delighted to bring your attention to one of our outstanding students, Reagan VanVoorst, a 7th grader, who displays Confidence, Creativity and Consideration! It is with great pleasure that I present this report to showcase Reagan's remarkable qualities and contributions to our school community.

Reagan's teachers have the following things to say about her:

- She is an exemplary student. She is eager to learn and well organized. She is well liked by her peers and puts great care and effort into her work.
- Reagan is a student who shows kindness to all her peers, includes everyone in activities, and tries her very best at everything she does.
- Reagan is always working hard on her studies and does very well in my science class.
- Reagan is a very hard working Mathlete that consistently demonstrates great leadership skills!
- I LOVE seeing how motivated and focused Reagan is. She is very cordial too.
- Reagan is nothing short of exceptional. She does a wonderful job in class and does great work. I appreciate her more than she probably even realizes. Congratulations Reagan, you deserve this honor.
- Reagan goes above and beyond in Leadership to make sure our events are not only planned to a tee but also fun, engaging, and inclusive for all students. She is incredibly thoughtful not just in her treatment of others but also her approach to her schoolwork - she always makes sure she is doing things correctly and to the best of her ability. She's a rockstar!

Reagan, Thank you for your positive contributions to CMHS! We are so glad that you are here!

Board Members- Thank you for your attention and support in celebrating our exceptional students.

Sincerely,

Laurie Maughan
