Dream BIG!:-)

Monday, February 6, 2023

Dear Parents/Guardians.

Our 3rd-6th grade students and family members have a unique opportunity to experience STEM Family Night each Friday evening, from 5:30 to 7:30 p.m. here in the 5th-6th grade classroom at Little Singer Community School. Snacks will be provided.

We have a sister school in Eeroo, Mongolia, who will Zoom in and join us each Friday evening, from 5:30 - 7:30 starting February 10th and hopefully lasting until May 5th. The students from Eeroo will be 5th-8th graders participating in a beginners' robotics program. Our students will help them get started with engineering, building, robotics, coding, etc. while sharing Navajo culture and language. Our students will learn about the Mongolian culture and language as well!:-)

Sincerely and Respectfully,

Mr. Tom Tomas
5th-6th Grade Teacher
Headteacher
STREAM Program Coordinator
