IMMEDIATE RELEASE

January 4, 2023

Williamsburg County School District announces a partnership with the Blue Print Leadership Academy. The Blue Print Leadership Academy was founded by Mr. Erin "Blueprint" Parker, a former Professional Football player for the Buffalo Bill, San Diego Chargers, and the Seattle Seahawks. The Blue Print Leadership Academy is a youth mentoring program based in Georgetown, SC. The program was conceived and implemented by Mr. Ervin Parker, aka Blueprint, a former professional athlete. Georgetown, SC is Mr. Parker's hometown, where he returned to start the Academy, giving back to the community that gave him his start.

He sees his program as a "blueprint" for future academies across South Carolina and the nation. The program is already partnered with Georgetown County School District, serving a number of schools in that school district. The program teaches life skills while instilling a strong sense of character. Tutoring, special education opportunities, and open discussion are all integral parts of the curriculum. There are after-school and summer sessions available.

The kickoff for the Blue Print Leadership Academy in Williamsburg County School District will be held on January 12, 2023, at Kingstree High School for 9th (9:50 am-10:50 am) and 10th (11:50 am-12:50 pm) graders. Parents and community members are welcome to attend.
