KINGSTREE HIGH SCHOOL'S WASHINGTON SELECTED FOR SC JUNIOR SHOWCASE FOR FOOTBALL: BJ WASHINGTON A FORCE ON THE FIELD AND THE COURT

Standing tall at 6'3" and weighing 205 pounds, BJ Washington is an athlete to watch. A standout performer from Kingstree High School, Washington has built a reputation as a dual-sport talent, excelling in both football and basketball. Known for his relentless determination, he likens himself to a freight train, stating, "Once I get going, nothing can stop me."

This drive and intensity have propelled him to the top of his game, earning him a spot in the prestigious South Carolina Junior Showcase Football Game to be held on January 12, 2025 at Airport High School in Columbia, SC. Set to compete alongside the best junior players from across the state, Washington is eager to demonstrate why he is considered one of the most promising athletes in South Carolina.

For Washington, success is a family affair. He credits his mother for guiding him throughout his journey, saying, "I wouldn't be here without her support and encouragement." Her influence has instilled in him a strong work ethic and a commitment to excellence. Colleges interested in Washington can expect a coachable, hardworking, and win-driven athlete. His ability to push through challenges and adapt to any situation makes him a valuable asset to any program.

On the field, his size, speed, and football IQ create a dominant presence, while on the court, his athleticism and competitiveness shine. As Washington prepares for the South Carolina Junior Showcase, the future looks bright for this rising star. Whether on the gridiron or the hardwood, one thing is certain: BJ Washington is on track to leave a lasting mark.
