The Clark School District uses a, PRE-PAID food service program. All school breakfast and lunches MUST be paid in advance. Once a family/household lunch balance reaches a \$50.00 negative balance, children will not be allowed to purchase extra items or entrees. Please make sure your lunch accounts are kept paid up.

For any family with low income needing assistance with school meals, please complete an application for free or reduced meals, these can be picked up at the office or found on our website. Please return the application to either school office as soon as possible so that your children may receive a nutritious meal each day. We highly encourage you to apply for this benefit as it helps our school district with funding.

Important Reminder: After School Parents please remember to sign your child/children out with the after-school staff.
