Child Nutrition Program

CHILD NUTRITION PROGRAM

Students will wash hands before and after eating

The district will be in full compliance with Child Nutrition Program requirements

The district has partnered with Titan School Solutions to help families manage their children's school meal accounts.

The Food Service Department is excited to offer healthy and fun birthday and holiday treats you can purchase for classroom celebrations.

The district will protect students with food allergies when meals are in spaces outside the cafeteria

School meals are NO LONGER FREE FOR ALL STUDENTS this year. We encourage parents to complete the Free and Reduced Meal application.

Please contact Food Service Director Jaelyn Adler if you need assistance in completing the Free and Reduced Meal paperwork. This information also helps the district obtain grants.

Our meal program is conducted as a non-profit operation under the management of the school lunch director. Type "A" lunch consists of 1/2 pint of fluid milk, two ounces of meat, fish, cheese, or poultry, or four tablespoons of peanut butter, or two eggs, or any combination of the above foods; also 3/4 of a cup of vegetables and/or fruit, and one serving of bread. Students are offered a choice of three out of five components. Salads are available daily. Paper copies of free and reduced meal applications are available in the main office and cafeterias. You can also fill out your application online through Titan School Solutions. Find the link on the school website or call 518-696-2112 ext 3117 for more information.

SCHOOL BUS SAFETY

“School Bus Safety Is... One Bus Stop at a Time”

Be cool...follow the rules:

1. Be ready when the bus arrives. You are required to be at your stop 10- minutes before your scheduled pick-up time.
2. The driver has the right to assign seats.
3. Always cross at least 10-feet in front of the bus and wait for the driver's signal. Never crawl under a bus, and never go behind the bus.
4. If you need to go to a different location, your parent or guardian must send a written request to the school office. You cannot ride a different bus or get off at a different bus stop without a bus pass issued by the school office.
5. No food or gum is allowed on the bus. Alcohol and tobacco are forbidden.
6. No skateboards or rollerblades are allowed on the bus. Musical instruments that will not fit in a student's lap cannot be transported to or from school on the buses.
7. No aerosol cans are allowed on a school bus (i.e. bug spray, hair spray, etc.)
8. You must stay in your seat while the bus is in motion, with arms and legs kept out of the aisle.
9. Remain seated until the bus stops at your destination.
10. Head and/or arms must not be thrust out windows.
11. Quarreling, fighting, or rough play will not be tolerated.
12. Swearing or abusive language must not be used. Yelling or shouting cannot be allowed. It can distract the driver and cause an accident.
13. For the safety of our youngest elementary students in K-4 we ask that they be released to a parent/guardian or responsible adult. If a parent/guardian/responsible adult is not present, elementary students in grades K through grade 4 will remain on the bus.

Message From The Transportation Department

Visit the district website at www.hlcs.org for a list of district roads and general pick up locations and approximate pick up time. Plan to be at your bus stop ten minutes before your scheduled pick up time. Times may vary slightly during the first week, then they should become regular and dependable.

For more information, please call the Transportation Office at 518-696-2112 ext. 3140.

Medication During School Hours

According to New York State Education Law 257, Mandated Procedure: All medication orders must be renewed ANNUALLY. This applies to a change in medication, as well as updated dosages. Furthermore, an adult must deliver all medications to the school in the original container.

All medications, prescription or non-prescription must be accompanied by a written prescription to the school nurse from the doctor and permission by the parent to administer the medication. The pharmacy label is not a sufficient order and cannot be used in lieu of a written order from a licensed prescriber.

All medication MUST be provided by the guardian/parent. We are sure you can understand that this procedure is designed to protect the child, the parent, and the school, and we hope in the event that your child must take medication during school hours, that you will cooperate with us. (Forms are available at the school.)

Is My Child Too Ill for School?

Please be advised if your child has a temperature of 100 degrees and/or is vomiting, the child will need to be picked up from school and the child should not return to school until he/she is 24 hours free of temperature or vomiting.

BMI Reporting

Hadley-Luzerne will be required to report Body Mass Index (BMI) information to the New York State Department of Health unless a waiver is signed and returned to the school nurse.

Immunization Requirements for Attending School

Children in a prekindergarten setting should be age-appropriately immunized. The number of doses depends on the schedule recommended by the Advisory Committee for Immunization Practices (ACIP). For grades pre-kindergarten through 8, intervals between doses of vaccine should be in accordance with the ACIP-recommended immunization schedule for persons 0 through 18 years of age. (Exception: intervals between doses of polio vaccine need to be reviewed only for grades prekindergarten, kindergarten, 1,2,6,7 and 8.) Doses received before the minimum age or intervals are not valid and do not count toward the number of doses listed below. Intervals between doses of vaccine DO NOT need to be reviewed for grades 9-12. See footnotes for specific information for each vaccine. Children who are ungraded should meet the immunization requirements of grades for which they are age equivalent. Dose requirements MUST be read with the footnotes of this schedule at <http://www.health.ny.gov/publications/2370.pdf>.

September 2022,

Dear Parent, Guardian, and School Staff;

New York State Education Law Section 409-H and State Education Department Commissioner's Regulation 155.24, effective July 1, 2001, require all public and nonpublic elementary and secondary schools to provide written notification to all persons in parental relation, faculty, and staff regarding the potential use of pesticides periodically throughout the school year. The Hadley-Luzerne Central School District is required to maintain a list of persons in parental relation, faculty, and staff who wish to receive 48-hour prior written notification of certain pesticide applications. The following pesticide applications are not subject to prior notification requirements:

- A school remains unoccupied for a continuous 72-hours following an application;
- Anti-microbial products;
- Nonvolatile rodenticides in tamper resistant bait stations in areas inaccessible to children;
- Nonvolatile insecticidal baits in tamper resistant bait stations in areas inaccessible to children;
- Silica gels and other nonvolatile ready-to-use pastes, foams, or gels in areas inaccessible to children;
- Boric acid and disodium octaborate tetrahydrate;
- The application of EPA designated biopesticides;
- The application of EPA designated exempt materials under 40CFR152.25;
- The use of aerosol products with a directed spray in containers of 18 fluid ounces or less when used to protect individuals from an imminent threat from stinging and biting insects including venomous spiders, bees, wasps, and hornets.

In the event of an emergency application necessary to protect against an imminent threat to human health, a good faith effort will be made to supply written notification to those on the 48-hour prior notification list. If you would like to receive 48-hour prior notification of pesticide applications that are scheduled to occur in your school, please complete the form below and return it to Mary Visscher, District Clerk, HLCS, PO BOX 200, Lake Luzerne, NY 12846. Brian Gereau is the school pesticide representative. He can be contacted for further information on these requirements by calling 696-2112 X3139.

Sincerely,

Burgess Ovitt, Superintendent of Schools

Family Rights, Student Insurance

Family Rights

Each year we like to remind parents that you have the following rights according to Section 99.7 of the Family Rights and Privacy Act of 1974:

1. The right to inspect and review the student's education records.
2. The right to exercise a limited control over other people's access to your child's education records.
3. The right to seek to correct your child's educational records, in a hearing, if necessary.
4. The right to file a complaint with the United States Department of Education, Washington, DC, if we should fail to comply with the Family Educational Rights and Privacy Act regulations.

A copy of our district's Student Records Policy may be obtained in the main office of the Hadley-Luzerne Central School District. If you have a question in reference to any of the above items, please feel free to contact one of the administrators at the school.

Special Education Information

Section 4402 of the NYS Education Law requires you have access to information for parents, guardians and other family members about laws, regulations and policies affecting special education programs and services. You may access "A Parent's Guide to Special Education" on our website hlcs.org or at:

www.p12.nysed.gov/specialed/publications/policy/parentguide.htm

For anyone without access to the internet, copies may be obtained at the Special Education Office, HLCS, SMTES, 27 Hyland Drive, Lake Luzerne, NY.

Student Accident Insurance

Should a student at the Hadley-Luzerne Central School District be injured at an approved school function, the parent or guardian must notify the appropriate Health Office and acquire appropriate insurance form (Parent Part B). The form must be completed by the parent/guardian and mailed to the address on the form. No claim is filed if the Health Office has not received written notification of the injury from the supervisor. (Always keep copies) The School District provides a very limited Student Accident Insurance Policy which may provide some excess coverage. This coverage is initiated after the parents/guardians' personal health plan has been used. Therefore, ALL BILLS related to the injury will first be paid by the family health insurance carrier. Should a balance remain, it should be submitted to the school's Student Accident Insurance Carrier. The amount of coverage if any, is determined by the insurance company, not the school. The benefits payable by the School Insurance carrier for school related claims are according to a fee schedule. ANY REMAINING BALANCE WILL BE THE PARENT'S RESPONSIBILITY. NO CLAIM IS FILED UNTIL THE PARENT COMPLETES PART B ON THE BLUE FORM AND MAILES IT TO THE INSURANCE COMPANY (THE PHONE NUMBER AND ADDRESS ARE ON THE FORM).
