

2022-2023

Dyersburg Middle School School Parent Compact

What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that parents, students, and staff can use
- Explain how parents and teachers can communicate about student progress

Jointly Developed

The families, students, and staff worked together to share ideas to develop the school-parent compact. Teachers met with their subject area teams to design practical strategies for parents to use at home. Parents provided valuable feedback on their needs to help their students. Students completed comment cards to add ideas for the compact. Meetings are held each year to review and revise the compact based on the school's academic goals and students' needs.

Parents are welcome to provide feedback on the compact at anytime during the school year. All feedback will be collected and reviewed during the annual revision meeting with families. Please contact Jenny Hatch at 731-286-3625 or visit our website, www.dyersburgcityschools.org for more information.

Our Goals for Student Achievement

District Goals

Dyersburg City Schools sets goals for the entire district. The district goals for the 2022-2023 school year are:

Reading - Achieve a level 3 Growth score or higher in literacy and maintain/improve the percentile rank in terms of the number of students scoring on-track or mastered.

Math - Achieve a level 3 Growth score or higher in numeracy and maintain/improve the percentile rank in terms of the number of students scoring on-track and mastered.

School Goals

Reading – Achieve a level 5 Growth score and increase the percent of students scoring on-track or mastered to 40%.

Math - Achieve a level 5 Growth score and increase the percent of students scoring on-track or mastered to 45%.

Teachers, families, students – Together for Success

In the Classroom We Will

- Set reasonable weekly AR goals to ensure growth in reading comprehension and vocabulary
- Communicate assignments and due dates
- Hold students accountable for using reading strategies that show their thinking and support success
- Develop an interactive notebook that provides examples and processes for solving problems to be used throughout the year
- Provide Home Connect login for students and parents to monitor progress on Accelerated Reader
- Provide all students with opportunities during and after school to complete all work.

At Home We Will

- Monitor my child's AR progress and provide a place for them to read at least 20 min. per day
- Monitor teacher correspondence to ensure assignments are completed
- Utilize resources provided by the school to help my child with reading
- Monitor my child's notebook to see that he/she is taking effective notes and referencing the notebook as needed
- Maintain up to date contact information to allow for open communication between home and school.

Students Will

- Set a realistic AR goal each nine weeks, monitor progress using the RenLearn program, and achieve goal
- Complete assignments on time
- Use the reading strategies my teachers teach in all classes
- Take effective notes in the interactive notebook and use it as a resource
- Take responsibility and monitor my progress in Math, stay current with Freckle math, and show work on all math assignments
