

Amite School Center

2024-2025 Student Handbook Grades 7-12

FOREWORD

The mission of Amite School Center is *“To provide a quality Christian education in a disciplined and safe environment.”*

This handbook for students and parents should be read carefully. The rules and regulations have been formulated in the best interest of the students and the school. You are asked to follow the rules as stated. Please do not ask for exceptions to be made.

It is a student’s responsibility to know and obey all the rules in the student handbook. The student handbook is posted on the Amite School Center Website.

This handbook has been approved by the Amite School Center Board of Directors and has been entered in the minutes of the board.

Enforcement of these rules and regulations rests with the administration. All problems involving interpretation of and enforcement of these rules are the responsibility of the administration.

SCHOOL BELIEFS

Amite School has the following beliefs and operates with these beliefs in mind:

- All people are assigned, by God, a gender at birth. This is the gender that will be recognized by Amite School Center in any and all dealings with students, faculty, and staff.
- A safe and physically comfortable environment promotes student learning.
- Student learning in a Christian environment is the chief priority of the school.
- Students need not only to demonstrate their understanding of essential knowledge and skills, but also need to be involved actively in solving problems and producing quality work.
- Students’ learning needs should be the primary focus of all decisions impacting the work of the school.
- The commitment to continuous improvement is imperative if our school is going to enable students to become confident, self-directed learners.
- Students need to apply their learning in meaningful contexts.
- Exposure to consistent, strong Christian morals promotes student learning and strengthens individual student morals.
- Students learn best when they have appropriate opportunities for success.
- Students learn best when they are actively engaged in the learning process.
- Each student is a valued individual with unique physical, social, emotional, and intellectual needs.
- Extra-curricular activities provide positive opportunities for the individual student to develop a sense of self and purpose.
- A student’s self-esteem is enhanced by positive relationships and mutual respect among and between students and staff.

in the administration of its educational policies, admission policies, or school administered programs.

AMITE SCHOOL CENTER ALMA MATER

Hail to A.S.C., we will be true to thee,
And thy standards we'll always hold high
You're the symbols of things we love,
We'll cheer as the colors go by.
Every heart beats fast as we think of the past
And of those who have gone before.
Should auld acquaintance be forgot,
Every day we will love thee more.

COOPERATE SPIRIT POLICY

Amite School Center believes that a positive and constructive working relationship between the school and a student's parents/guardians is essential to the accomplishment of the school's educational mission.

Amite School Center accordingly reserves the right to terminate at any time or not renew a student's enrollment contract if the school reasonably concludes that the actions of a parent or guardian make such a positive and constructive relationship impossible or otherwise seriously interfere with Amite School Center's accomplishments of its mission.

AMITE SCHOOL CENTER ADMISSIONS POLICY

We believe that all people are assigned by God, a gender at birth. This is the gender that will be recognized by Amite School Center in any and all dealings with students, faculty, and staff.

- **Amite School Center admits students of any race, color, nationality, or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, nationality, or ethnic origin in administration of its educational programs.**

SPECIAL NOTE: Although Amite School Center has a liberal acceptance policy, the administration reserves the right to make a final decision on any child. Our ministry is one committed to children, and our staff is a loving, nurturing one. It is always "painful" when a child is not accepted. There are times, however, when children have special needs that Amite School Center cannot meet. Therefore, it would not be in the best interest of the child to place him/her in a school setting where they might not be successful. Some of those areas include, but are not limited to the following:

- Academically, Amite School Center has a curriculum that is “college prep” in nature. If a child is below average in ability, or if a child has moderate to severe learning disabilities, Amite School Center may not be the best school of choice. Amite School Center does not have a formal resource program or special education component, due
- .033 primarily to budget, personnel, and space restraints.
- If a child has behavior problems that adversely affect the learning of others or takes an inordinate amount of time, Amite School Center is likely not the best school setting.
- If a child has a serious medical condition or has specific medical needs that can't typically be met in a standard classroom setting, it might not be in the child's best interest to attend Amite School Center.
In fairness to the child, if he/she has been professionally tested and evaluated for learning disabilities, behavioral concerns (such as ADD, ADHD), or a medical condition, the result of those tests should be made available to the school at the time of application or when they become available. It is at the discretion of the headmaster and/or the board to review any accommodations requested and to require appropriate medical documentation.
- Final admission will be determined by a student's past record and results on the admission test.

CUSTODY ISSUES

School administration must be made aware of any custody situation where a parent, grandparent or other individual is legally prohibited from visiting or picking up a student. The school must have on file legal papers regarding these matters. It is the parent's responsibility to keep the school informed when these situations exist. If one parent has custody and grades (or information) are not to be released to the other parent, the office must be informed.

MEDICATION

We prefer to refrain from giving medication to students. If absolutely necessary, medication will be given by the teacher (K-6) or office staff (7-12), only if a note from a parent describing the time and dosage accompanies the medication. Students in grades 7 - 12 taking any form of prescription medication must bring a note from their parents or doctor giving the time and amount of each dose.

TUITION AND FEES POLICY

The following is a list of requirements for Tuition and Fees at Amite School Center: Students may be removed from school when tuition becomes 60 days past due. If tuition and all fees are not current prior to taking exams in December and May, the student will not be allowed to take exams and will be given a zero on these exams. The determination of whether a patron is current is based on the contract, not each student. If the student is exempt from an exam, the exemption will be lost and the student will receive a zero for the exam grade. Seniors must have all tuition and fees paid by May 2, 2025, in order to graduate.

NSF Check Guidelines

When a check is returned to the school a letter will be sent that day to the writer. They will be given 4 school days to send the amount of the check plus a \$40.00 NSF fee, in cash or money order, to the school.

If there is no response from the check writer....

The school will mail a 2nd letter to the writer of the check. The writer will be given 4 school days to send the amount of the check plus \$40:00 in cash or money order to the school. If full payment is not received by the 4th school day, the check writer will then be put on a cash-only basis with Amite School Center from that day forward.

If there is no response from the check writer...

The School will mail a form letter from the District Attorney's office using certified mail to the check writer. They will be given 30 calendar days to send the amount of the check plus \$40.00 NSF fee in in cash or money order to the school.

If there is no response from the check writer...

On the 31st calendar day, the financial secretary will go to Justice Court and file criminal charges against the check writer.

ASBESTOS MANAGEMENT PLAN

Congress passed legislation in 1987 which requires all schools to inspect or re-inspect their facilities for asbestos. Our first inspection was in 1988 with re-inspections. SHOULD YOU DESIRE TO VIEW OUR ASBESTOS MANAGEMENT PLAN, a copy is maintained in the school office and is available for your inspection.

INCLEMENT WEATHER

The closing of school due to inclement weather will be announced as soon as possible. Announcements of school closures can sometimes be made the evening before the closing of school, however, most days the announcement cannot be made until the morning of closing school. The Administration will endeavor to decide as early as possible. We desire for decisions to be made by 6:30 am or earlier when possible. Information on school closures will be sent via FACTS parent alert text message system, posted to the school's social media and to the school's website.

AFTER CARE & EARLY CARE

After-school care will be offered from 3:05 - 5:30 on regular school days for \$7 per day and early care will be offered from 7:00 - 7:30 for \$2 per day. On half days, the fee will be \$10. Payment is to be made in advance or at pick-up time on a day-by-day basis, balances must not exceed \$100. If this happens privileges will be removed until full payment is received. Money will not be credited for change of plans. It will be credited for school closings; for example: inclement weather. Since workers are hired based on day-by-day attendance, it is important for the school to be notified as early as possible on the day after-school care is needed. While we understand that unforeseen circumstances will arise, we do not allow excessive late pick-ups from aftercare. If children are picked up after 5:30, 3 or

more times within 9 weeks, aftercare privileges will be removed for the remainder of that 9-week period.

Aftercare late fee schedule:

5:30 - 5:35 = \$2 charge

5:35 - 5:40 = \$5 charge

After 5:40 = \$5 charge plus \$1 per minute after 5:40

INSURANCE

Students attending A.S.C. will have the option of purchasing insurance through a reliable insurance carrier, but A.S.C. is not responsible for those expenses unpaid by the policy. If you do not wish to purchase this policy, a written waiver of insurance must be signed by the parent or guardian of the student. A waiver may be obtained in the office. If there are any questions regarding the insurance policy, please call the office.

TEXTBOOKS & COMPUTERS

All textbooks are loaned to students for their use during the school year. Workbooks and other supplies are paid for by the student. Textbooks are to be kept clean and handled carefully. Payment will be required for lost or damaged books. The teacher is responsible for issuing and taking up textbooks. All students in grades 1-12 will be issued a school computer (device). Parents will be responsible for any user damages. Insurance to cover user damage will be available for purchase. Please see "Device User Agreement" which will be part of the information packet at the beginning of the school year.

ACCREDITATION

Amite School Center holds accreditation with the Mid South Association of Independent Schools and Cognia. The standards of these two agencies are used as guidelines for the educational programs of the school.

ARRIVAL AND DISMISSAL

Drivers with students in grades K3- 2nd will veer to the right after the split. They will stay in the inside lane in order to be nearest the classroom doors. After deliveries and pick-ups, drivers will merge into the outside lane for exiting

ARRIVAL: Students brought to school before 7:30 will report to Early Care in elementary room 1. At 7:30 the elementary gates will open for K3-2nd grade students to be dropped off at their homeroom teacher's door. Students in 3rd through 6th grade may be dropped off at the Pen and walk to class after 7:30, siblings of K3-2nd grade students may be dropped off at their homeroom also. Junior high and high school students will be dropped off in one of two places. 1) Students who do not have an elementary sibling may be dropped off at the west end of the building 2) Students who have an elementary sibling may be dropped off at the east end of the building.

DISMISSAL: At 2:45 the elementary gates will be opened for K3-2nd grade students to be picked up from their teacher's room. Also, at 2:40 grades 3rd through 6th will be dismissed to the Pen. Students in grades K-3-2nd must enter on the driver's side or drivers must get out and accompany them to the passenger side. Grades 7th – 12th will be dismissed at 2:53. Elementary bus riders will be dismissed at 2:45 while 7th-12th bus riders will dismiss at 2:45. Junior high

and high school students who do not drive may be picked in the same manner as their arrival (see above). The dismissal bell rings at 2:53.

High School students, parents, and visitors are expected to not cause unnecessary congestion around the elementary building.

High school students who are eligible to leave early may do so after their last academic class. **Those students must provide a note signed by parents and must sign out in the office before leaving. Students failing to follow these steps will serve in-school suspension.** These students, when parked in the normal student parking lot, are to exit campus by going in front of the high school building.

All children should be picked up by 3:05. After 3:05 students will be sent to after care and parents will be charged. Some teachers may remain at work, but they are NOT RESPONSIBLE for students. Elementary and junior high students should not be left unsupervised on campus while an older sibling is practicing a sport and/or on ballgame days. The first time the parent will be called, after that Mississippi Department of Human Services MAY be contacted. Amite School Center will not be responsible for those left after school hours with no supervision.

TRAFFIC CODE

Although the school provides parking spaces for student vehicles, this does not give the student the right to abuse the privilege. The student parking lot should be as clean as any other part of the campus. Students driving to school will be expected to leave their cars parked during school hours and not return to them without permission from the office. All motor vehicles are off limits during the day. Students will not sit in or on cars and cannot use vehicles during school hours without permission from the office. The front parking lot will be used for student parking. Students will be notified when they are to park in different areas due to school events. A.S.C. cannot be responsible for damage or loss of items in or on vehicles. Traffic on campus shall be regulated by orders of the Board of Directors and include the following regulation: Traffic speed of 10 miles per hour by all drivers at all times on campus.

TRAFFIC PENALTIES

- First traffic violation - Parents are notified, a \$25.00 fine and suspension of driving for 30 days.
- Second traffic violation - Driving will be revoked for one year and a \$50.00 fine.
- No UTV's will be allowed on campus.

VISITORS ON CAMPUS

No visitors, including parents, are to come in the school building during school hours for any reason without checking in through the school office. The only exception is if the visitor has been invited to a program or event. Unauthorized visitors are not to board a school sponsored bus. Unauthorized visitors may be charged with trespassing and picked up by the proper authorities.

ATTENDANCE POLICY

Regular and punctual attendance on the part of all students is necessary for successful accomplishment in school. Repeated tardiness and absences frequently cause students to become discouraged and fail. Therefore, unless the student is ill, it is important that parents have their children in school on time every day that school is in session.

- Only in unavoidable cases should a student leave school before the close of the day. Given the importance of core course study, students may not be allowed to check out during academic classes without express permission granted by administration.
- Students may not receive credit for a two-semester course missed when more than twenty (20) days are missed in a class. Students may not receive credit for a one-semester course when more than ten (10) days are missed in a class.
- Students who accumulate more than ten (10) absences in a two-semester course or more than five (5) absences in a one-semester course will be ineligible for exemption in that course.
- Students who are absent from school during the day (in part or in full) for any reason other than doctor or dental appointments will not be allowed to participate in extracurricular activities, field trips or sports (practice or game) for the remainder of the day, unless approved by administration.

The Accreditation Manual of the Mississippi Association of Independent Schools (MAIS) states on page 26 that:

42.013 No student shall be granted a credit whose absences exceed 20 days during the school year. The administration and school board may waive this standard if it is determined that the absences resulted from unusual circumstances or extended illness. A limit of 10 days shall be placed on all one semester ½ credits.

ABSENCES

When a student is absent a parent should call the school by 10:00 a.m. so that the whereabouts of the student is accounted for.

Absences follow into 3 categories:

1. Excused
2. Unexcused
3. School Business

Excused

1. Personal illness or serious illness in your family.
2. Funeral
3. Emergencies approved by the Headmaster.

Students who miss class for A.S.C. athletics, field trips, etc. will be excused and these absences will not count in the total number of days missed.

UNEXCUSED

Any student who receives an unexcused absence will be given a one-point deduction on the nine-week average for each class that is unexcused. Also, an unexcused absence results in losing exemption possibilities for the semester in which it was received.

What to do when returning to school after an absence?

A student who is absent is required on the first day returning back to school, to report to the High School office with a written excuse from their parent or doctor. If a note is not received after 3 days, the absence will be unexcused.

TARDY POLICY

The first bell rings at 7:48 a.m. and classes begin promptly at 7:58 a.m. Students should be seated at their desk and ready to start when the second bell rings. When students arrive late, it disturbs the entire class and may affect a student's self-esteem. Promptness is a measure of school citizenship. We understand that most ASC students can't drive. Therefore, parents are urged to have their children to school on time to help establish good habits and to keep them from being penalized. **Please note that traffic is not a legitimate excuse for repeated tardiness to school.**

Students who are tardy upon coming to school or to class will not be allowed to enter classes until they have secured an admittance slip from the office.

- The tardies will be recorded in the office.
- Four (4) tardies in a nine-week period will result in one (1) work detail. Each tardy after four (4), will result in a work detail.
- Students who are more than twenty-five (25) minutes late to school will be counted absent for that class.

CHECKING OUT OF SCHOOL

- Appointments with physicians or dentists should not be made during school hours if at all possible.
- If parents send a note requesting that their child be allowed to check out, the office should receive the note before the first period begins. Parents who phone the school requesting that their student be dismissed should phone by 8:30 a.m. (Exception – Emergency Situations). Students should notify their teachers that they are leaving and get their assignments.
- Before students leave for a doctor or dental appointment, they must sign out in the office. Upon the student's return to school, the student must present a note from the doctor or dentist before signing in to school. If this procedure is not followed, the absence will be unexcused.
- Students who are absent from school during the day (in part or in full) for any reason other than doctor or dental appointments will not be allowed to participate in extracurricular activities, field trips, or sports (practice or game) for the remainder of the day, unless approved by administration.
- All tests must be taken before a student leaves school for the day. Failure to comply with this rule will result in a grade of zero (0) on the test. If a student comes to school late and has missed a test, the student is required to take the test before leaving school for the day. Failure to comply with this rule will result in a grade of zero (0) on the test. Students leaving school early must see all teachers to get assignments.

PERMISSION TO LEAVE SCHOOL

When a student becomes ill at school:

- The student should ask permission to leave class from his/her classroom teacher.
- The student should ask permission in the office to notify parents of the illness.
- The secretary or teacher will then call the parent to determine if the parent will give the student permission to leave school. After these steps are followed, the student must sign out in the office.

When a student leaves for a doctor or dental appointment:

- Students who know they are to leave school during the day should bring a note from their parents to the office before school on the date of the appointment, stating the reason and the time they are to leave.
- Before students leave, they must sign out in the office. Upon the student's return to school, the student must present a note from the doctor or dentist before signing in to school. If this procedure is not followed, the absence will be unexcused.

Failure to sign out in the office before leaving school during school hours will result in in-school suspension.

MAKE-UP TESTS POLICY AND TIME PERIOD

Students are allowed three (3) consecutive make-up opportunities to complete tests:

- Wednesday School: Wednesday School will meet on Wednesday afternoons from 3:20 to 4:30 p.m.
- Tuesday mornings – Tuesday times are Tuesday mornings from 7:00 a.m. to 7:55 a.m.
- Thursday mornings – Thursday times are Thursday mornings from 7:00 a.m. to 7:55 a.m.

Staff members will proctor all work done on Wednesdays, Tuesdays, and Thursdays.

Failure to take assigned tests in this time frame will result in a grade of 0 (zero) being registered on that subject's test. Permission must be received from the administration prior to the expiration of the allotted time, if there are special circumstances that prevent a student from making up a test within the three dates. Students arriving after 3:30 p.m. for Wednesday School will not be allowed to make up a test during that session. Students arriving after 7:10 a.m. for Tuesday-Thursday Detention will not be allowed to make up a test during that session.

It is the responsibility of the student to schedule make-up work with each teacher.

TESTING PROGRAM

- Each spring students in grades K5, 1st, 3rd, 5th, and 7th are given the Iowa Assessment test. 9th grade students will be given the Pre-ACT test.
- Students in grades 1st-6th will be tested 3 times throughout the year using the STAR reading and math test.
- ACT (American College Test) is used primarily for admission to college. The ACT is given to high school students on campus during the fall and spring. Parents/Guardians are responsible for paying the ACT test fee.
- ASVAB (Armed Services Vocational Aptitude Battery) is a group of twelve tests that measure aptitude in five career field areas. The tests are General Information, Numerical Operations, and Attention to Detail, Work Knowledge, Arithmetic Reasoning, Space Perception, Mathematics Knowledge, Electronic Information, Mechanical Comprehension, General Science, Shop Information, and Automotive Information. The scores are on the following composites: Verbal, Math, Perceptual Speed, Mechanical, Trade Technical, and Academic Ability

STAR STUDENT

The Star Student selection process is set by the Mississippi Economic Council. The star student is the senior who has the highest score on the ACT taken before December 31 of the current school year. The minimum score is 25, and the minimum average is 93. Grades in the 10th, 11th, and 12th grades are used to determine the star student's average. Only the following subject areas are to be included: English, foreign language, math, science, and social science. If the school has more than one senior with an ACT of 35 or above and an average of 93, designate each as a star student. In the event of a tie on the ACT score: Step 1 – Total ACT test scores (English, mathematics, reading, and science reasoning) for each student involved in the tie. Select the student having the highest sum of these test scores and the minimum 93 average on designated courses. Step 2 – If the tie still exists, name as star student that senior with the highest overall scholastic average on selected subjects in specified years. Step 3 – If the tie is unbroken, use the first semester senior year scholastic average as the deciding factor. Step 4 – Should a tie still exist, compare the scholastic averages for prior years until the tie is broken. STUDENT CODE OF CONDUCT

All students of ASC are expected to handle themselves in such a way that reflects our standards and beliefs as a Christian school. Students are expected to represent ASC at school, all school related functions, and any school related media. Misconduct in or at any of these venues will fall under school discipline and may be handled accordingly by the Head of School. As a school we do realize that we cannot and do not attempt to monitor students' actions away from school, school activities, and school related media. Having said this, we do hold our students to a certain standard of conduct and behavior. We expect the students of ASC to act and speak in a manner that reflects positively upon our entire school.

DISCIPLINE POLICY

TYPES OF DISCIPLINE:

Work Detail

Students will be required to do work detail when assigned. Work detail will begin at 7:00 a.m. and last until 7:45 a.m. Failure to attend work detail or being late for work detail will result in the assignment of an additional work detail. Three work details in a nine-week period will result in internal suspension. Each additional work detail in that nine-week period will result in internal suspension.

Corporal Punishment

Used in cases deemed necessary.

Internal Suspension

Students will be required to do class-work and tests. Credit will be given for tests, quizzes, and class assignments when the work is completed. Each student serving in-school suspension will be charged a fee of \$60.00 to offset the cost of a teacher. One point will be deducted from the nine-week average in each class for every day served. Students receiving Internal Suspension will forfeit early dismissal privileges for the remainder of the nine weeks.

External Suspension

Students serving external suspension will have 2 points deducted from their nine-weeks average in each class for each day served.

Students receiving External Suspension will forfeit early dismissal privileges for the remainder of the school year.

Expulsion

Any student who violates the policies and rules of Amite School Center in such a manner that the student is uncooperative and/or a threat to the general welfare of the student body and/or faculty may be brought before the Administration and Board of Directors for expulsion. Furthermore, administration holds the right to refer a student for expulsion whenever he/she deems that is the appropriate course of action.

DISCIPLINARY HEARING PROCEDURE

Disciplinary practice and procedures will be reasonable and for the best interest of the child involved and students in general. Upon reasonable request, parents will be advised of the nature of the infraction and the penalty or punishment imposed, under the following guidelines:

- An email by administration informing the parent of the situation will be sent.
- A conference with the teacher and/or administration taking place during school hours.
- Both parents should attend the conference, or if only one parent is present, the absent shall be deemed to have appointed the attending spouse as agent, and all matters and proceedings at the conference will be to the same effect as if both parents were present and participating,
- If communication cannot be had in a polite and civil manner, the conference shall cease. If the parents wish to pursue the matter further, arrangements may be made for appearance before the School Board.
- Under no circumstance shall a parent proceed to the home of a teacher or administrator with a grievance except by mutual consent in advance.
- Abuse or intimidation of teachers or administrators will not be tolerated, whether during school hours, at home, or in any other manner.
- Intemperate language or threats may result in suspension or expulsion of your child.
- Legitimate complaints will be given proper consideration, but the administration will not permit disruption of the school or jeopardize the education of the vast majority of students because of the irresponsible conduct or attitude on the part of a small minority.

DISRESPECT

Being insubordinate or showing disrespect toward a teacher, school employee, student, or guest of our school, will result in the student being penalized by being assigned work details. If a student is extremely or repeatedly disrespectful to a teacher, staff member, or other person in authority at the school, he/she will be suspended and must have his/her parents at a conference with the Head of School before being admitted back in school. Should such disrespect manifest itself in physical contact with the staff or faculty member, either on or off campus, the student shall be suspended, or at the discretion of the administration terminated from the school system without refund of tuition and fees.

BREAK AND LUNCH POLICIES

Lunches may be provided by parents and should be the types that do not have to be refrigerated. **Snacks and or Lunches may not be delivered to students.** The School Cafeteria offers a variety of foods, including a hot lunch. Students shall be courteous and refined in their cafeteria manners. Strict adherence to the published lunch schedule will be observed. Students will line up and pick their food up in an orderly manner. Students who break the line will be sent to the end of the line. Students will be expected to clean up their trash and place it in the garbage cans. Students who leave trash on the tables or on the floor will be asked to clean up the cafeteria. Violation of rules may result in corporal punishment or whatever the Head of School deems appropriate.

CAFETERIA

- Students are to go to the cafeteria when the lunch bell rings. Teachers are not to let students go to lunch early without permission from the office.

- Keep noise to a minimum.

- Students are to remain in the cafeteria for their allotted time.
- Take care of the equipment, such as tables, chairs, etc.

- No food or drink is allowed outside the cafeteria

CELL PHONE/SMARTWATCH

Students may not have their cell phones and/or smartwatches at any time during the academic part of their day. At any point during the school day students may be subject to an appropriate cell phone search, if a staff member has reason to believe that a student may be using a device for noneducational purposes. Junior high and high school students (grades 7-12) will place their phone and smartwatch in their assigned place at the beginning of the day or when they check into school. Each student will have a number slot for their items in a locked and secure box. Upon their last class and/or checking out the student may pick up their items. Elementary students will have designated areas in their homeroom to place a phone without being punished. If any student is found with a phone or smartwatch in their possession during the academic part of their day, the following will apply.

PLAGIARISM and CHEATING

Plagiarism and cheating are absolutely not tolerated. Be advised: Ignorance on the part of a student is not an acceptable excuse for these offenses. As for cheating, consequences apply to ALL parties involved. As for plagiarism, it is not only unethical but also illegal! Plagiarism refers to a student's use of someone else's ideas or words without proper credit to or recognition of the original source.

For the first offense, * **ANY form of plagiarism/cheating results in TWO ZERO GRADES--** (1) for the assignment and (1) for the act of plagiarism/cheating itself

For the second offense, not only are TWO ZERO GRADES assigned in that course, but a student also serves a one-day external suspension,

For the third offense, the situation is turned over to administration with expulsion deemed as a possibility.

CLASSROOM REGULATIONS

- A student is expected to be prepared for each class. Students should bring all supplies to class each day. These supplies include pencil, pen, paper, book, or any other necessities for that subject. In case of habitual forgetfulness, work detail may be assigned.

The use of cigarettes, vapes and alcoholic beverages are considered a serious hazard; hence, the use of, possession of, or under the influence of these while on school premises, or while in the custody and control of the school, or in the course of a school related activity will result in a 3-day minimum external suspension and a \$200.00 fine. Possession and/or use of illegal drugs may result in expulsion from school. If a student is arrested for drugs (selling, buying, using, etc.), alcohol, or possession of a weapon, that individual may be subject to suspension or expulsion and will not be able to participate in any extracurricular activities for 9 weeks. They may practice but not play or perform.

DRUG/ALCOHOL PREVENTION POLICY

All students in Grades 7 through 12 and staff are required to participate in the drug-screening program at ASC. For any student who refuses to participate, ASC will call the parents and the student will be dismissed from school immediately.

The purpose of the drug testing policy is:

1. To educate the students concerning the dangers of drug abuse.
 2. To help prevent drug abuse by students of Amite School Center.
 3. To identify any students who may be using drugs.
 4. To provide reasonable safeguards in order to ensure that every student who attends ASC is medically competent.
 5. To remove the stigma of drug abuse from those students who are not users.

3. Subsequently, the student MUST submit to random drug screening once a month throughout the calendar year. Amite School Center Administration or a designee will have/oversee that the student is tested monthly. Parents/guardians are required to cover the cost of the random drug screening for the entire calendar year.
4. If a student has a second positive drug screening, that student is subject to expulsion from the Head of School and Board of Directors.
5. Parents may contact the Head of School and request to appeal to the school board. If a student is withdrawn prior, no appeal hearing will be granted.

These are all forms of bullying intended to purposely harm another person. Bullying may be physical, verbal, emotional, written or any social media. A.S.C. is committed to providing a friendly, caring, and safe environment for our students and has a zero tolerance toward bullying of any kind. If such behavior does occur, students and/or their parents are encouraged to tell a teacher or administrator so that the incident may be dealt with promptly. Students found by the administration to be guilty of bullying in any form may face suspension from activities, internal and/or external suspension, and/or expulsion. **This includes unacceptable use of social media that causes a negative impact on the school environment, whether during the school hours or at any other time.**

HALLWAYS

Students are not to loiter in the hall before school and during break or lunch. Students are expected to keep the hallway clear of book bags and athletic bags. A student in the hall during a class period is required to have a hall pass signed by the teacher who gave the student permission to be in the hall. When it is raining or severely cold before school, students will report to the gym. Otherwise, before 7:48 and during break or lunch periods, students are not allowed into the school building, except under the supervision of a teacher.
