

Response Summary:

Q33. Please provide the top priorities the school district has determined as the most pressing needs for students and schools within the school district as a result or in response to the COVID-19 pandemic. You may elect between 1-3 priorities by checking the box and providing the text response.

- Priority 1:
Computer Hardware
- Priority 2:
Computer Software
- Priority 3:
HVAC updates

Q71.

Goal Action Plan:

Please define your Math goal, English Language Arts (ELA) goal, and other goal, based on the priorities you identified.

Explain what instruments or methods will be used to monitor the progress of the goals and determine if the goals are met. Click the box and provide the text response for each applicable box.

- Math Goal:
Our goals are to provide all students with 1:1 devices, access to an online curriculum in all core subject areas, and 1:1 teacher support. We are seeing gaps in student learning and intend to provide interventions to close them.
- ELA Goal:
Our goals are to provide all students with 1:1 devices, access to an online curriculum in all core subject areas, and 1:1 teacher support. We are seeing gaps in student learning and intend to provide interventions to close them.
- Other Goal (For example, SEL, Mental Health, Graduation Rates, Recruitment/Retention, Professional Development, Community and Family Engagement, etc.):
Our goal is to provide a clean, healthy, and comfortable learning environment by installing a new boiler system part of the high school that was failing. This allows for better attendance due to decreasing unhealthy air.

Q34. When you identified each of your district's priorities, what data points did you use? Please list any and all data sources, such as attendance, interim assessments, surveys, etc.

Benchmark Data and stakeholder input

Q8. What is your school district phone number?

4067735523

Q53. How will the District monitor the impact of the ARP ESSER funded interventions or strategies, including but not limited to the 20% set-aside, to respond effectively to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted?

We will use our data to track student success and our ability to meet the measurable goals set by the district.

Q48. How do you plan to use the remaining 80% for the allowable uses of funds related to preventing, preparing for, and responding to COVID-19 as required by ESSER I, II, and III? See page 5 of the ARP ESSER Fact Sheet for more information. Choose all evidence-based practices that apply.

- Extended learning time
- Evidenced-based curriculum
- Accelerating learning through instructional approaches: In-school acceleration-Certified educators provide support for students within the classroom and grade-level work, using high-quality instructional materials, instructional strategies, and formative assessments.
- Access to and effective use of technology
- Administering and using high-quality assessments that are valid and reliable, to accurately assess students' academic progress and assist educators in meeting students' academic needs, including through differentiating instruction
- Tracking student attendance and improving student engagement provided by the school
- Using data about students opportunity to learn indicators to help target resources and support
- Distance/Remote Learning: connectivity (hot spots, outfitting buildings/buses with WiFi, other wireless, internet service, etc.), devices (laptops, tablets, etc.), printing costs for learning packets, instructional resources/tools, hardware, software, subscriptions, licenses, assistive technology or adaptive equipment, online learning platforms/learning management systems, other distance/remote learning costs
- Providing safe, healthy, inclusive learning environments
- Activities to address the unique needs of at-risk populations
- Planning for, coordinating, and implementing activities during long-term closures, including providing meals to eligible students, providing technology for online learning to all students, providing guidance for carrying out requirements under the Individuals with Disabilities Education Act and ensuring other educational services can continue to be provided consistent with all Federal, State, and local requirements.
- Purchasing educational technology (including hardware, software, and connectivity) that aids in regular and substantive educational interaction between students and their classroom instructors including low-income students and children with disabilities, which may include assistive technology or adaptive equipment.
- School facility repairs and improvements to enable operation of schools to reduce risk of virus transmission and exposure to environmental health hazards, and to support student health needs.
- Inspection, testing, maintenance, repair, replacement, and upgrade projects to improve the indoor air quality in school facilities, including mechanical and nonmechanical heating, ventilation, and air conditioning systems, filtering, purification and other air cleaning, fans, control systems, and window and door repair and replacement.

Q11. Please indicate your role in the district.

- District-level Administrator

Q58.

Please provide the estimated number of jobs (FTEs) that have been or will be created by the school district through the district's planned use of ESSER III Funds.

0.5

Q42.

Goal Action Plan, Part 2:

Identify what strategies/action steps will be used to support the achievement of the goals.

Describe a realistic and achievable timeline to achieve the goals.

Identify who is responsible to ensure the strategies/action steps are achieved.

Click the box and provide the text response for each applicable box.

- Math Goal Strategies, Actions, Timelines, and Assignments:
We have allocated ESSER funds to help cover the costs of purchasing devices, new curriculum, and to help pay staff wages. We are setting up committee meetings for our technology and curriculum committees. They will review our ESSER goals and decide how to best spend the funds to best support student achievement. We will also use data to help drive our decision making regarding interventions. Staff will then be assigned to provide 1:1 interventions for the identified students. All funds have been allocated and purchases have all been made. The superintendent will be responsible for seeing this through.
- ELA Goal Strategies, Actions, Timelines, and Assignments:
We have allocated ESSER funds to help cover the costs of purchasing devices, new curriculum, and to help pay staff wages. We are setting up committee meetings for our technology and curriculum committees. They will review our ESSER goals and decide how to best spend the funds to best support student achievement. Montana School District ARP ESSER Plan Update

This tool allows districts to update their ARP ESSER plans at any point. Updates must be completed at least once every six months.

Federal Requirement

The US Department of Education (USED) required the OPI to establish a process for district plans consistent with the ARP ESSER requirements for the use of ARP ESSER funds and ensure plans be made available to the public, within no later than 90 days after a district received its ARP ESSER allocation (August 24, 2021). The requirements for the school district plans include, at a minimum, how districts will:

1. use funds to implement prevention and mitigation strategies;
2. use the funds totaling not less than 20% to address lost instructional time;
3. spend its remaining 80% of ARP ESSER funds;
4. respond to needs of student disproportionately affected by the pandemic; and
5. meaningfully engage with and consult stakeholders in crafting their plans.

Each of these federally required components are embedded into this school district ARP ESSER plan.

In addition, the USED requires the OPI to support and monitor each school district's use of ARP ESSER funds, including:

- i. implementation of evidence-based interventions;
- ii. address the student groups specifically that were disproportionately impacted by the pandemic; and
- iii. identify, reengage, and support students who have experienced the impact of lost instructional time.

The plan will provide the information necessary for the OPI to support and monitor school districts as they move forward.

State Components

Throughout this school district ARP ESSER plan, the OPI has emphasized local control and coordination of state initiatives and requirements so that school districts can identify and innovate solutions for unique local needs and priorities. These components are embedded in the school district ARP ESSER plan. Additionally, the OPI will seek flexibility from the Board of Public Education to use the Goals section of this plan in place of the Continuous School Improvement Plan (CSIP).

Initial ARP-ESSER plans were developed through the use of a template. This plan update tool will provide districts with their most recent plan submission presented with the same fields and sections as their initial plan.

The sections of this tool match the sections of the template provided for districts to use for the creation of their plans.

The template sections are as follows:

1. School District-Identified Priorities
2. Meaningful Consultation
3. Goals
4. Coordinating Funds
5. Creating Safe and Healthy Learning Environment
6. Addressing Lost Instructional Time
7. Supporting the Educator Workforce
8. Monitoring and Measuring Impact of ARP ESSER funds

Prior to updating your school district ARP ESSER plan, consider the following:

What data do you have available to you to measure the impact of your work and guide plan adjustments?

What feedback have you received from stakeholders around your plan and/or your plan implementation?

What steps have you taken to engage stakeholders in your update process?

Instructions for updating your school district ARP ESSER plan

- Review the information in each field to verify that it matches the information you have at the local level. In the event that there is a difference please update any impacted fields during your update process.
- It is recommended that you complete your plan revision in a single sitting. If you are unable to do this please click through to the end of the survey and note on the final page that this submission represents an unfinished update draft.
- After you hit submit you will receive an email that contains a link that you can use for your next update. If you were submitting a draft update please be sure to return to complete your draft before the deadline.

Next Steps:

- When you submit your update you will receive a confirmation email that contains a link to access a PDF of your plan submission and a link to complete your next update.

Please review the information in these fields and verify that it reflects the submission of this update.

Q74. Describe the stakeholder consultation that was completed to inform this update. Include dates, locations, and links where relevant.

Board meeting held on May 15, 2023 in the Richey High School library. Stakeholder input was requested via an email list, board notice, and social media.

Q75. Please write a summary statement describing this update. Example: "This submission reflects our first update of our plan in November of 2021"

This submission reflects our 6 month plan update in May of 2023.

1. School District-Identified Priorities

2. Meaningful Consultation

3. Goals

4. Coordinating Funds

Identify other federal funding that you are coordinating with ARP ESSER funds to most effectively use funds to address student needs.

5. Creating Safe and Healthy Learning Environments

Determine if ARP funds will be used to **implement prevention and mitigation strategies**, to the greatest extent practicable, in order to continuously operate schools for in-person learning.

6. Addressing Lost Instructional Time

Describe how the school district will use ARP ESSER funds it reserves under Section 2001(e)(1) of the ARP Act to **address lost instruction time** through the implementation of evidence-based interventions. The district must spend a minimum of 20% of ARP ESSER funds. The full implementation of the evidence-based interventions should be considered including personnel, materials, equipment, professional development, and expenses needed to meet the needs of students. Other evidenced-based practices may be utilized if the intervention meets one of the four tiers of evidence. Evidence-based practices may be found at [OPI's Multi-Tiered Systems of Support](#) page.

7. Supporting the Educator Workforce

Determine if ARP funds will be used to support and stabilize the educator workforce consistent with Section 2001 (e) (2) of the ARP Act.

8. Monitoring and Measuring Impact of ARP ESSER funds

You have reached the end of the LEA ARP ESSER Plan Update Tool.

Please take a moment to verify that your plan is fully updated. This is your last opportunity to use the back buttons to update or edit your responses before submitting.

When you are ready to submit please respond to the items below to ensure that the OPI is able to process your submission.

Q77. Please select the statement below that accurately describes your role:

- I am the Authorized Representative for this district.

Q78. Please select the statement below that accurately describes this submission:
