THANKSGIVING

I write this with gratitude for your steadfast prayers and generosity, which fuel this ministry's mission to bring hope and truth to hearts across our listening area and beyond. Your partnership is the heartbeat of everything we do.

Last Spring, we faced unexpected technical trials: our FM station's audio board malfunctioned, followed by a critical module failure in our transmitter that significantly reduced our coverage area this past Summer. For a moment, our ability to broadcast hung in the balance. But thanks to your support, we swiftly repaired both systems, ensuring no interruption to our programming. These moments remind us that *every gift and prayer* sustains the practical tools God uses to reach and encourage His people.

Every song played and every message shared is a lifeline. Recently, a listener wrote:

"During my darkest hour, listening to your station reminded me of God's presence in my life. I'm no longer alone—I have hope in Christ."

Stories like this are *your legacy*. Whether through uplifting music, biblical teaching, or timely encouragement, your support plants seeds of eternal value.

Here Is How You Can Help Today:

1. **Prayer:** Ask God to protect our equipment, guide our content, and soften hearts to receive His Word.

2. **Financial Support:** Ongoing maintenance, upgrades, and expanding our reach depend on monthly gifts. A donation of **\$70** covers one hour of airtime; **\$200** helps fund critical technical repairs.

Visit Goforth.org & click on Support or mail to PO Box 1328 Mobile, AL 36633 to partner with us this month.

Paul's words in Philippians 1:3–4 resonate deeply: *"I thank my God every time I remember you. In all my prayers for you, I always pray with joy."* Your faithfulness fuels this joy. Together, we're advancing the Kingdom—one song, one word, one heart at a time.

"The Lord will fulfill His purpose for me; Your steadfast love, O Lord, endures forever." — Psalm 138:8

As we look around at the changing leaves and cooler weather, we are shocked to realize that another year has practically gone. Pondering how it happened so fast, we find ourselves feeling that last Thanksgiving could've been no more than six months ago. It was followed closely by Christmas, the new year, then spring, summer and now it's already Thanksgiving again. How does it go so fast?

We get so busy in our everyday lives that time seems to disappear without a trace. One day we're in high school, then college, and then next we're married with kids. It seems that we blink our eyes and now our children are grown with kids of their own.

We look back and hope that we've made a positive impact by demonstrating enough of Jesus in our life to make an eternal impact on theirs. The bible tells us that *"If we train up a child in the way they should go that when they are old, they would not depart from it."* (Proverbs 22:6).

That is one reason why I feel what we do is so very important. We at Goforth Media strive daily to be part of that positive impact on our listeners lives. We have been broadcasting the Gospel to the upper gulf coast since 1986 on WBHY-AM and Contemporary Christian Music on Power 88 since 1992. We also stream both stations online to the world via internet.

Our stations offer a great alternative to anything the world has to offer. I believe that if parents would encourage their children to listen to Christian music, it could have a major effect on their lives. An impact different from what the world can give. It's one filled with the positive message of Hope and Love of Jesus Christ.

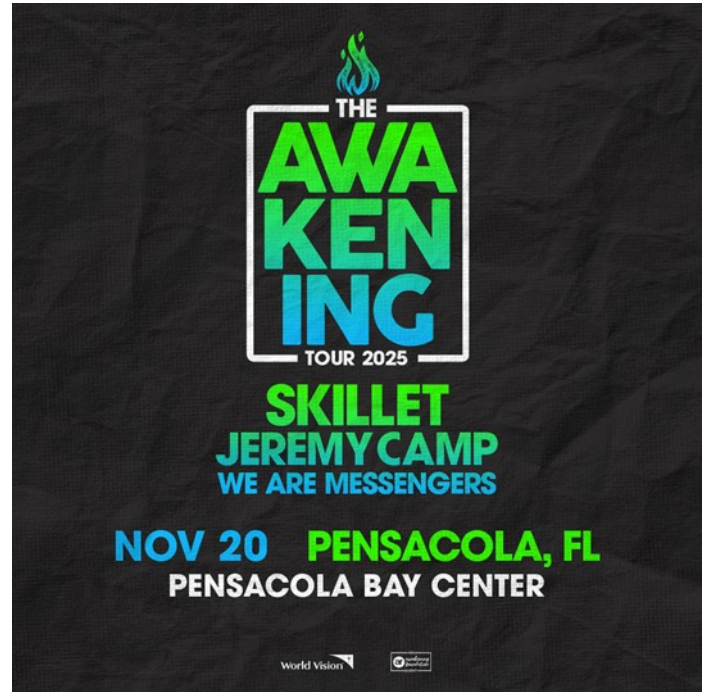

I invite each of you to try listening to nothing but Christian music (preferably Power 88.5 FM) for 30 days (especially with the kids in the car) and see if it makes a positive difference in your lives. At the very least, you should have a more enjoyable ride.

This time of the year we're reminded of all the things we're thankful for. Especially, as Believers of what Christ has done and continues to do for us moment by moment. If we're honest, most of the time we don't really feel thankful. Maybe this year has been a particularly difficult one where this Thanksgiving you are reminded more about what you don't have, than what you do. Perhaps it's the loss of a close family member or friend. It could be a change in your job situation or maybe you just don't feel as close to God as you once did. You may be bracing for what you think will be a difficult holiday season. Take note of this: Thessalonians 5:18 states "Give thanks in everything, for this is God's will for you in Christ Jesus." As Christians, we are told to "Give thanks in everything." I won't speak for you, but I'm usually more thankful when I *feel* more thankful. This verse reminds us that no matter what our situation, we're to be thankful. If you've had a rough year and aren't looking forward to the holidays, still give thanks. Why, because it's "God's will for you in Christ Jesus." God has not left his throne nor was he surprised by what you had to experience this past year. He still loves you and he's here to help walk you through difficult times. That's something to be very thankful for.
