Mrs. Chandler | Week 10 October 9-13

What We Are Learning

Reading: I can describe steps in a process using words that signal sequence. I can describe cause-effect relationships in a scientific text. I can understand how different kinds of ocean animals cooperate for survival.

Math: I can explore area as an attribute of plane figures that is measurement in square units. I can measure area by counting unit squares. I can fluently multiply/divide within 100 (focus on 0-6,10).

Language: I can identify and use common and proper nouns in a sentence.

Writing: I can research and write an information piece.

Homework
