

**Bok Academy South 2023 - 2024
Summer Reading Packet**

Dear Bok Family,

I hope you are looking forward to a relaxing and rejuvenating summer. We are reminded by the novelist George R.R. Martin, “A reader lives a thousand lives before he dies and the man who never reads lives only one.” We also hope during the course of the summer your child will engage in activities that invite their intellectual curiosity and sustain their interest in learning, as well as develop a habit of reading.

To maintain the expectations, standards, and the rigorous curriculum set forth for Bok Academy students, we are offering our students a Summer Reading Packet. The students can turn it into their Reading teacher the first week of the 2023-2024 school year. **Students can select one fiction and one non-fiction book to read.** We encourage students to read books that are within their comfort reading range; more importantly, we want students to read a book that they enjoy!

We invite you to check out the “The Lexile Framework for Reading” website to quickly and easily search for books that will match your child’s reading level and interests, as well as locate your selection at the local public library. www.lexile.com

6th Grade - 750 or above lexile level (minimum of 150 pages)

7th Grade - 850 or above lexile level (minimum of 200 pages)

8th Grade - 950 or above lexile level (minimum of 200 pages)

If you have any questions about the summer reading packet please email one of the reading teachers below.

We wish you and yours a happy, relaxing, and productive summer.

Sincerely,

The Bok Reading Team
