

## ► Who We Are

Founded in 2002, SLA Management provides complete school foodservice management to K-12 private, charter, and district schools throughout the country.

## OUR MISSION:

To provide our children the best 30 minutes of their day.

- Better nutrition for students.
- More revenue for schools.

## ► Corporate Offices & Support Center

## ► Our Programs

SLA meal programs are custom designed to meet the needs and goals of the schools, districts, and communities we serve.

- High quality, fresh ingredients in all our scratch prepared daily menu offerings
- Daily selection of fresh fruits & vegetables, as well as complete A la Carte programs
- SLA continually develops exciting new regionally relevant entrees reflecting culinary trends
- All SLA offerings meet and exceed NSLP compliance guidelines.
- SLA Management's experienced NSLP Team oversees & manages regulatory compliance for our school families.
- SLA's proficiency in managing our Schools' USDA commodity entitlement is a significant source of revenue for the school & we believe in maximizing those benefits for our School Communities.

## ► Build a Meal™

SLA's Build a Meal™ program allows students to choose from multiple entrée and side selections on a daily basis.

- **Center Plate** – Our Daily Feature
- **Deli Delights** – Salads, Subs, Wraps, & More
- **Little Italy** – Home Cooked Italian Favorites
- **All American Grill** – Chicken, Burgers, & Such

## ► Our Team

SLA Management is a family.

Our management staff is comprised of seasoned foodservice executives dedicated to making a positive contribution to your children's school experience.

We enjoy very strong local, regional, and national partnerships with our vendors, enabling us to develop and manage efficient supply chains.

SLA provides all our associates with professional training, food handling certifications, including ServSafe®, and a path for growth within our company.

► We love what we do.

► We believe it is important.
