

Principal

Spotlight

Dr. Sherry Johnson Houston County Career Academy

What do you love about your school?

HCCA embraces the true purpose of CTAE by exposing students to career pathways and building partnerships with business and industry as part of its mission to ensure a viable 21st Century Workforce for Houston County. To ensure a seamless transition from high school to the students' next life choice whether it be the workforce, military, post-secondary technical or university system. HCCA is the Sweet Spot where students discover and develop their talent with high interest and passion for their future. HCCA allows students to choose the pathway they want to study and become viable members of the workforce.

What do you love most about being a principal?

What I love most about being the principal at HCCA is being part of the team that provide the opportunity for students to discover and implement what they learn in a particular career pathway, while also having the opportunity to apply their skills to real-world situations which leads to career opportunities.

Tell us about the person who inspired you to become a leader.

Two leaders who inspired me to become a leader are Dr. Barbara Wall, Georgia Deputy Superintendent Career, Technical and Agricultural Education and Dr. Lionel Brown, Superintendent for Peach County Schools. They both recognized my love and passion for CTAE and my desire to provide meaningful opportunities for my students and teachers to be successful. The advice I received was that nobody can be you and do not compare yourself to others, "Just Do You."

Fun Fact

I love to watch the Game Show Network.
