Notes of Meeting:

- Meeting began at 8am.

Principal Report:

- **New APD:** Mrs. Sams announced Ciara Northern as the new APD. She is married and a coach. She also has strong family ties to Feagin Mill
- **Smart Pass:** This digital tool is being used by teachers/administration to track students on how long they are out of the classroom and how many times they are asking to go to a different location (restroom, nurse, etc.). This tool has features that allow admin to block students from being in the hallway at the same time as well as how many students are in the restrooms at once. A great resource to help document for disciplining purposes as well.
- **CEP School:** Free breakfast and lunch for all students since FM has qualified for this program.
- **MAP Date:** Data came back looking good and hoping the same for Milestones scores
- **Milestones:** Scores are coming in. This year 8th grade students must pass Reading portion. If they fail, the students will participate in a week of remediation and then retake the test
- **Celebrations to end the year:**
 - **i. Academic Awards:** 450 students participated in the awards ceremonies

- **ii. PBIS Celebrations:** Students who haven't received a spotlight, ISS, or OSS participated in these celebrations. Students went down to the gym during Connections bought Concessions and participated in their activity of choice.
- **Summer Learning Academy Host:** Feagin Mill will be the host school for summer school
- **Personnel:** Feagin Mill has one teacher retiring and 2 military teachers relocating. We have hired an ELA teacher, Math teacher and a SPED teacher
