Highlights from Letters to Power

Hello, I am 23 years old and a believer in Christ. I was raised in church. However, over the last few years, I feel farther away from Christ than I've ever been. I thank you for what this radio station does for me and I would greatly appreciate it if you would keep me in your prayers. Thank you and God Bless!!!!

- My kids and I love power 88! It's the only station we listen to. What a blessing to have all the radios in the house and car tuned to 1 station. We love the variety of music and the positive message that you guys are sending. Thank you so much for all you do.

Supporting Christian Radio

If Christian radio has made a difference in your life and you do not have a means of helping support the station financially, there are 2 other important things you can do:

1. Keep us in your prayers that God will use this radio ministry for His glory 24/7.
2. Support a business that underwrites. Thank them for their donation to help support local Christian radio and use their services when possible.
