With the desire for public transparency and accountability, the Bond Oversight Committee has been tasked with monitoring the District's effective use of bond funds. The Committee met recently on January 17<sup>th</sup>, 2023 with Superintendent Fritz and reviewed the planning progress, schedule, current budget, and expenditures to date. Insofar as the Committee is concerned, these items are in accordance with the voter-approved work scope and bond objectives. If the School Board has any questions or feedback for the Committee, our next meeting is planned for April 11<sup>th</sup>, 2023 at 6pm in the HLE library.
