## **EAST HAMPTON SCHOOL DISTRICT ATTENDANCE POLICY**

### **I. PHILOSOPHY**

The East Hampton school community considers attendance a significant factor in the academic process. To be successful in school, students must be present in classes and must actively participate in learning activities. Even when specific work can be made up after an absence, the valuable time-on-task missed with lost classes may eventually affect the achievement of goals (e.g., College Board scores, course grades, employment opportunities) set by the student and his/her family. Furthermore, the school community is responsible for teaching the value of good attendance, as this characteristic is one that society views as essential for success.

### **II. POLICY**

All East Hampton School District students are expected to attend all classes every day unless legally excused. Consequences will be imposed for students who incur unexcused absences.

### **III. DEFINITIONS**

**Excused absences:** absences for the following reasons, and only for the following reasons, will be considered "excused absences" and will not be calculated in the student's total when determining possible denial of credit:

- personal illness
- Impassable roads or inclement weather
- Medical appointment
- Power failure
- College visitation for appropriate age students and their siblings
- Religious observances
- Family emergency, e.g., accident, illness or death in family
- Appointments with court or government related agency, e.g., subpoena, road test, military obligations, probation department or INS
- School approved function, e.g., field trip, guidance/administrative appointment, music lesson, nurse, cooperative work program

**Truancy:** Students sent to school by their parents/guardians and expected to be in school are considered truant if they are absent for some unlawful reason.

**Unexcused absences:**

- Oversleeping
- Missing the bus
- Family vacation
- Babysitting
- Events unrelated to school activities

**Students**

The determination of an absence as excused or unexcused may be left to the discretion of an administrator based upon extenuating circumstances. In some instances, the school administrator may request additional verification beyond parental communication.

**IV. UNEXCUSED ABSENCES DUE TO FAMILY VACATIONS****High School**

In the case of such absences, students are required upon their return to school to approach the teacher to arrange make-up work. The student is required to make up the work in a manner satisfactory to the classroom teacher. If the work is not made up the absence shall count toward denial of course credit, and the designation indicating missing work will be noted on the student's attendance record. If the work is made up, the absence will not count toward the denial of course credit.

**Middle School****Vacation Homework Policy**

Vacations during the school year are not encouraged and are considered unexcused absences. Teachers are responsible for offering students a general outline of material that will be covered, and not specific assignments while the student is out during an unexcused absence or absences. Students will be responsible for any missed material due to unexcused absences. The student will be expected to make up any missed tests within five (5) school days or receive an automatic 50%.

**Elementary School**

The elementary grades require students to be in attendance for instruction. Providing work packets does not make-up for the loss of instructional time. Assessments such as unit exams, quizzes and benchmark tests must be made-up within two weeks of the absence unless there are extenuating circumstances discussed with the teacher and principal. Attendance and tardiness may affect promotion to the next grade. See Elementary School Retention Process.

**V. LEAVING SCHOOL GROUNDS**

Students requesting early dismissal from school must submit a note from parents/guardians to the attendance clerk at the beginning of the school day. Parent/guardians must sign students out at the attendance desk in the main office.

**VI. APPEALS PROCESS**

If and when a dispute arises regarding the application of this credit denial policy, an appeals process is available. A request for an appeal must be made by the parent/guardian to the assistant principal within five days of notification of credit denial. An Appeals Committee will review the circumstances of the absences and make a decision on the appeal in writing to the parent/guardian. If a parent/guardian is not satisfied with the Committee's decision, an appeal may be made to the principal, who will make a final determination.

**Please note, in the review of a student's attendance record in preparation for an appeal, three (3) verified class cuts will disqualify the student from the appeals process.**

**East Hampton Union Free School District Chromebook  
Policy, Procedures, and Information  
2015-2016**

**Mission Statement:**

The focus of the Chromebook program at East Hampton Union Free School District (EHUFSD) is to provide 21<sup>st</sup> Century technology and resources to students to better prepare them for higher education and the workforce. Increased efficiency in student/teacher and student/student communication and collaboration, as well as the enhanced sharing and storage of data, will increase the time focused on student learning.

The East Hampton School District has developed a four year plan to provide provide all students in grades 5 through 12 access to individual Chromebooks while maintaining the Board of Education directive to maintain a fiscally responsible budget.

The policies, procedures and information within this document apply to all Chromebooks used at East Hampton Union Free School District and any other device considered by the Administration to come under this policy.

**Note to parents and students:**

Chromebooks will be an integral part of your child's education. Chromebooks will be issued to all students in grades five and nine for the 2015 - 2016 school year. Using the EHUFSD-issued Chromebook is not mandatory. Students may use their own device as long as it meets the instructional requirements and all of the regulations for in-school devices are followed. The EHUFSD is not liable for loss, theft, or damage of personal devices brought to school.

Chromebooks will be distributed at the start of school during Chromebook Orientation. Parents & students are required to attend an orientation and must sign and return the **Chromebook Student Consent Form and the School District's Acceptable Use Policy before the Chromebook will be issued to the student.**

The Chromebook Protection plan outlines an insurance option for families to protect themselves in the event of loss, theft, or damage of EHUFSD -issued Chromebooks. Please review the Chromebook Protection plan included in this handbook.

### **1.2 Chromebook Check-in**

Individual Chromebooks and accessories must be returned to the EHUFSD at the end of each school year.

Chromebooks will be returned by students during the final month of school so Chromebook can be checked for serviceability and reconditioned, as needed, for the following school year. If a student transfers out of the EHUFSD during the school year, the Chromebook and all accessories must be returned at that time.

Students who graduate early, withdraw, or terminate enrollment at the East Hampton School District for any other reason must return their individual school Chromebook on the date of termination.

### **1.3 Check-in Fines**

If a student fails to return the Chromebook at the end of the school year or upon termination of enrollment at EHUFSD, the parent/guardian must pay the replacement cost of the Chromebook. Failure to do so will result in the filing of a theft report with the appropriate Police Department.

The parent/guardian will be responsible for any damage to the Chromebook, consistent with the EHUFSD's Network and Computer Policy and Student Code of Conduct, and must return the device and accessories to the EHUFSD Technology Dept. in satisfactory condition. The student will be charged a fee, not to exceed the replacement costs of the Chromebook, for any needed repairs.

## **2. TAKING CARE OF YOUR Chromebook**

Students are responsible for the general care of the Chromebook they have been issued. Chromebooks which are broken or fail to work properly must be brought immediately to the designated help desk area or to a teacher for evaluation of the equipment. The Chromebook is school property and all users are expected to follow the EHUFSD Network and Computer Acceptable Use Policy, as well as their building Code of Conduct.

### **2.1 General Precautions**

To clean the chromebook use a clean, soft cloth to clean the screen, keyboard and touchpad. Do not use cleansers of any type. The use of products containing ammonia or bleach will damage the screen. Using a lightly dampened cloth will aid in removing dust, film and dirt -- but avoid allowing any moisture to get into keypad or behind the screen bezel.

Cords and cables must be inserted carefully into the Chromebook to prevent damage. If a cord becomes frayed or damaged, please bring it to the help desk or designated teacher. Replacement cords and power adapters covered by warranty will be replaced for free. Replacement adapters and cords can be purchased online along with other Chromebook accessories.

You may not write, draw, or affix stickers or labels to your Chromebook. The removal of school district and manufacturer's labels is strictly prohibited.

Chromebooks must never be left in an unlocked locker, unlocked car or any unsupervised area. Chromebooks must never be left outside or inside locked car as extreme temperatures will cause damage to the device.

If students use "skins" or other cases to personalize their Chromebooks, they are prohibited from taking off any EHUFSD labels.

## **2.2 Carrying Chromebooks**

Protective cases that provide protective padding for Chromebooks are available for online purchase. These cases provide sufficient padding to protect the Chromebook when used routinely and provide a suitable means for carrying the device within the school. The guidelines below should be followed:

- Chromebooks should always be in a protective case when carried.
- Carrying cases that hold other objects (such as folders and workbooks) may damage Chromebook screen when excessive pressure and weight is placed on Chromebook.

## **2.3 Screen Care**

The Chromebook screens can be damaged if subjected to rough treatment. The screens are particularly sensitive to damage from excessive pressure:

- Do not lean on the top of the Chromebook when it is closed.
- Do not place anything near the Chromebook that could put pressure on the screen.
- Do not bump the Chromebook against lockers, car doors, floors, etc. as it will eventually break.
- Do not carry laptop by the screen as it will eventually damage the laptop.

# **3. USING YOUR Chromebook AT SCHOOL**

Chromebooks are intended for use at school every day. **Students are responsible for bringing their Chromebook to all classes**, unless specifically instructed not to do so by their teacher.

## **3.1 Chromebooks Left at Home**

If a student leaves his/her Chromebook at home, he/she is responsible for completing all coursework for that day as if he/she had the Chromebook present. If a student repeatedly leaves his/her Chromebook at home or doesn't bring it to class, he/she will be required to bring the device in for a "check-in" to verify the device is not lost stolen or damaged.

## **3.2 Chromebook Undergoing Repair**

Replacement Chromebooks may be issued to students when they leave their Chromebooks for repair in the EHUFSD Technology Department. Loaner devices are limited and will be issued on a first come first serve basis. In the event no loaner is available, students can still

access all their Google documents from almost any device with an Internet access including Mac, PC, Chrome OS, Apple iOS, and Android devices.

### **3.3 Charging Your Chromebook Battery**

Chromebooks must be brought to school each day in a fully-charged condition. Students must charge their Chromebooks each evening in order to participate fully in classroom activities. In the event the use of the Chromebook has caused batteries to become discharged, students may be able to connect their Chromebooks to a power outlet in class.

### **3.4 Screensavers/Background photos**

Inappropriate media may not be used as a screensaver or background photo.

Presence of guns, weapons, pornographic materials, inappropriate language, alcohol, drug, gang-related symbols or pictures will result in disciplinary actions as stated in the District Network Policy and Code of Conduct.

### **3.5 Sound, Music, Games, or Programs**

Sound and notifications must be muted at all times unless permission is obtained from the teacher for instructional purposes.

All software/Apps needed for class will be provided by the EHUFSD. Data Storage will be through apps on the Chromebooks and emailed or uploaded to the EHSchools.org site and stored on a server. It is the **student's' responsibility to backup** their work and not use the device as a primary storage area.

### **3.6 Printing**

Printing will be available with the Chromebook through a wireless printer. Students should talk to their teachers about which printer to use. Students will be given information and instruction on printing with the Chromebook at school.

### **3.7 Internet Access**

Students are allowed to set up wireless networks on their Chromebooks. This will assist them with Chromebook use while at home. Printing at home will require a wireless printer.

## **4. MANAGING FILES AND SAVING INFORMATION**

### **4.1 Saving to On-line Storage**

Students may save work to the home directory on the Chromebook. It is recommended that students e-mail documents to themselves for storage on a flash drive or the District server. Chromebook malfunctions are not an acceptable excuse for not submitting work.

### **4.2 Network Connectivity**

The EHUFSD makes no guarantee that their network will be up and running 100% of the time. In the rare case that the network is down, the District will not be responsible for lost or missing data.

## **5. SOFTWARE on Chromebooks**

### **5.1 Originally Installed Software**

The software/Apps originally installed by EHUFSD must remain on the Chromebook in usable condition and be easily accessible at all times.

The school may add software applications for use in a particular course. The licenses for this software require that the software be deleted from Chromebooks at the completion of the course. Periodic checks of Chromebooks will be made to ensure that students have not removed required apps.

## **5.2 Additional Software**

Students **are not** allowed to load extra software/Apps on their Chromebooks and are restricted to the limitation set forth by EHUFSD Network Policy and on the device. EHUFSD will synchronize the Chromebooks so that they contain the necessary apps for school work. EHUFSD deems the right to review and change this policy at any time within the year.

## **5.3 Inspection**

Students may be selected at random to provide their Chromebook for inspection. Any infraction of the district policies will result in disciplinary actions.

## **5.4 Procedure for re-loading software**

If technical difficulties occur or illegal APPS are discovered, the Chromebook will be restored to factory settings. The school does not accept responsibility for the loss of any software or documents deleted due to a reformat and re-image.

# **6. ACCEPTABLE USE**

The use of the EHUFSD's technology resources is a privilege, not a right. The privilege of using the technology resources provided by the EHUFSD is not transferable or extendible by students to people or groups outside the district and terminates when a student is no longer enrolled in the East Hampton Union Free School District. This policy is provided to make all users aware of the responsibilities associated with efficient, ethical, and lawful use of technology resources. If a person violates any of the User Terms and Conditions named in this policy, privileges may be terminated, access to the school district technology resources may be denied, and the appropriate disciplinary action shall be applied. The EHUFSD Student Code of Conduct shall be applied to student infractions.

Violations may result in disciplinary action up to and including suspension/expulsion for students. When applicable, law enforcement agencies may be involved.

## **6.1 Parent/Guardian Responsibilities**

Talk to your children about safety, privacy and responsibility regarding the device, APPS and the internet. Parent workshops will be provided by the district to assist you.

## **6.2 School Responsibilities are to:**

- Provide Internet and Email access to its students.
- Provide internet blocking of inappropriate materials as able.
- Provide network and "cloud" data storage areas.
- Provide technical assistance as needed
- Provide staff guidance to aid students in doing research and help assure student compliance of the District Network and Computer policy.

These devices will be treated similarly to school lockers. East Hampton Union Free School District reserves the right to review, monitor and restrict information stored on or transmitted via East

Hampton Union Free School District owned equipment and to investigate inappropriate use of resources.

### **6.3 Students Responsibilities are to:**

- Use computers/devices in a responsible and ethical manner.
- Obey general school rules concerning behavior and communication that apply to Chromebook use.
- Monitor all activity on their account(s).
- Report any email containing inappropriate or abusive language or if the subject matter is questionable, he/she is asked to print a copy and turn it in at the main office.
- Help EHUFSD protect our computer system/device by contacting an administrator about any security problems they may encounter.
- Turn off and secure their Chromebook after they are done working to protect their work and information.
- Use all technology resources in an appropriate manner so as to not damage school equipment. This damage includes, but is not limited to, the loss of data resulting from delays, non-deliveries, missed deliveries or service interruptions caused by the students own negligence, errors or omissions. Use of any information obtained via EHUFSD's designated Internet System is at your own risk. EHUFSD specifically denies any responsibility for the accuracy or quality of information obtained through its services.

Return their Chromebook to the Technology Department at the end of each school year. Students who graduate early, withdraw, are suspended or expelled, or terminate enrollment at EHUFSD for any other reason must return their individual school Chromebook computer on the date of termination.

### **6.4 Student Actions Strictly Prohibited Are:**

- Illegally installing or transmitting copyrighted materials.
- Any action that violates existing Board policy or public law.
- Downloading or installing anything to negate the filtering system.
- Sending, accessing, uploading, downloading, or distributing offensive, profane, threatening, pornographic, obscene, or sexually explicit materials.
- Use of unauthorized messaging, chat rooms, sites selling term papers, book reports and other forms of student work.

- Giving out personal information, for any reason, over the Internet. This includes, but is not limited to, setting up Internet accounts including those necessary for chat rooms, eBay, email, name, address and phone number.
- Participation in credit card fraud, electronic forgery or other forms of illegal behavior.
- Vandalism (any malicious attempt to harm or destroy hardware, software or data, including, but not limited to, the uploading or creation of computer viruses or computer programs that can infiltrate computer systems and/or damage software components) of school equipment will not be allowed.
- Transmitting or accessing materials that are obscene, offensive, threatening or otherwise intended to harass or demean recipients.

- Bypassing the EHUFSD web filter through a web proxy, apps, profile or software.

### **6.5 Chromebook Care (redundant with general precautions?)**

Students will be held responsible for maintaining their individual Chromebooks and keeping them in good working order. Chromebook batteries must be charged and ready for school each day.

Only labels or stickers approved by the EHUFSD may be applied to the computer.

Chromebook sleeves furnished by the school district must be returned with only normal wear and no alterations to avoid paying a sleeve replacement fee. ??

Chromebooks that malfunction or are damaged must be reported to the EHUFSD Technology Dept. The school district will be responsible for repairing Chromebooks that malfunction. Chromebooks that have been damaged from student misuse, neglect, or are accidentally damaged, will be repaired with cost being borne by the student. Students will be responsible for the entire cost of repairs to Chromebooks that are damaged intentionally.

Chromebook damage: Students are responsible for any and all damage.

Chromebooks that are stolen must be reported immediately to the Office and the Police Department.

### **6.6 Legal Propriety**

Students must comply with trademark, copyright, and plagiarism laws and all license agreements. Ignorance of the law is not immunity. If you are unsure, ask a teacher or parent.

Plagiarism is a violation of the EHUFSD Code of Conduct. Students must give credit to all sources used, whether quoted or summarized. This includes all forms of media on the Internet such as graphics, movies, music, and text.

Use or possession of hacking software is strictly prohibited, and violators will be subject to consequences listed in the EHUFSD Student/Parent Chromebook Handbook and Code of Conduct. Violation of applicable state or federal law will result in criminal prosecution or disciplinary action by the District.

### **6.7 Student Discipline (DO WE REALLY WANT TO OUTLINE DISCIPLINARY POLICY HERE??)**

If a student violates any part of the above policy, he/she will be put on the following disciplinary steps:

1st Offense: Student(s) will check-in/check-out their Chromebooks from the help desk daily for two (2) weeks and as a result students will be required to attend homework club or library evening hours to complete assignments.

2<sup>nd</sup> Offense: Three (3) weeks of Chromebook privilege suspension (student still responsible for all required work; teachers will NOT be responsible to provide alternative assignments.)

3<sup>rd</sup> Offense: Parent conference with administration

## **7. PROTECTING & STORING YOUR CHROMEBOOK COMPUTER**

### **7.1 Chromebook Identification**

Student Chromebooks will be labeled in the manner specified by the school; Chromebooks can be identified in the following ways: Record of serial number/ Asset Tag, EHUFSD Label, and students name and or picture on the home screen.

## **7.2 Storing your Chromebook**

During the school day when students are not using their Chromebooks, they should be stored in their lockers. The EHUFSD recommends the students **use a locker provided by the school district. Nothing should be placed on top of the Chromebook** when stored in the locker. Students are encouraged to take their Chromebooks home every day after school, regardless of whether or not they are needed. Chromebooks should **not be stored in a student's vehicle at school or at home**. If a student needs a secure place to store their Chromebook, they may **check it in for storage with the help desk**.

## **7.3 Chromebooks Left in Unsupervised**

**Under no circumstances should Chromebooks** be left in unsupervised areas. Unsupervised areas include the school grounds and campus, the lunchroom, computer lab, locker rooms, library, unlocked classrooms, dressing rooms and hallways. Any Chromebook left in these areas is in danger of being stolen. **If an Chromebook is found in an unsupervised area, it will be taken to the Technology Office or another appropriate building office.**

# **8. REPAIRING OR REPLACING YOUR Chromebook /LAPTOP COMPUTER**

## **8.1 Third Party Protection**

The EHUFSD highly recommends students and **parents purchase third party insurance to cover Chromebook replacement in the event of theft**, or accidental damage. The value of a Chromebook is (approx. \$259).

## **8.2 Claims to Insurance**

In the event of accidental damage, the **parent** must contact the EHUFSD Technology Office at 329-4102 with the insurance policy number and the student's sworn statement of damage in order to file a claim on your behalf.

In the event of theft, fire or vandalism, the parent must also contact the Technology Office and supply a copy of the police or fire report as well as the policy number in order to file a claim on your behalf.

**The Insurance company does not cover any claims for lost or intentionally damaged Chromebooks.** The parent will be responsible for the entire value of the Chromebook.

# **9. COST OF REPAIRS**

Students will be held responsible for ALL damage to their Chromebooks including, but not limited to: broken screens, cracked plastic pieces, inoperability, etc. Should the cost to repair exceed the cost of purchasing a new device, the student will pay for full replacement value. Students will be charged the actual replacement cost for lost items such as sleeves and cables.
