School-Parent Compact
Sumter County Primary School
2024-2025
May 23, 2024 (Revision Date)

Dear Parent/Guardian,

Sumter County Primary School students participating in the Title I, Part A program, and their families, agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement as well as describes how school and parents will build and develop a partnership that will help children achieve the State's high standards.

JOINTLY DEVELOPED

The parents, students, and staff of Sumter County Primary School partnered together to develop this school-parent compact for achievement. Teachers suggested home learning strategies, parents added input about the types of support they needed, and students told us what would help them learn. Parents are encouraged to attend annual revision meetings held by the Fall of each year to review the compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to participate in the annual Title 1 parent survey that is also used as a tool to collect parent feedback regarding the current Title I programs and policies.

To understand how working together can benefit your child, it is first important to understand the district's and school's goals for student academic achievement.

DISTRICT'S GOALS:

Increase the percentage of students scoring at the developing learner level and above by 10 percentage points in all core content areas by the end of the 2024-2025 school year as measured by the Georgia Milestones Assessment.

SUMTER COUNTY PRIMARY SCHOOL GOAL:

Sumter County Primary School will increase the number of students scoring at the developing level, proficient level, and the distinguished level by 10 percentage points as measured by the STAR Assessment by the end of the 2024-2025 school year.

To help your child meet the district and school goals, the school, you, and your child will work together to:

SCHOOL/TEACHER RESPONSIBILITIES:

- initiate reading activities at school
- teach and monitor letter, sound, and sight words progress towards mastery
