TRANSPORTATION

Hello Parents! A safety message and protocols for you and your child's safety. We kindly ask parents to park in the gravel parking area (south of main parking) to pick up your child afterschool at 3 PM. The buses loading zone poses danger by creating potential blind spots, it is a designated areas for staff assisting boarding of the buses. Your patience and understanding is greatly appreciated as we board the students and brings your child home.

We are short on bus drivers and this is impacting our drive time to take a little longer brining our students to school and taking them home. Please be patient with us as we make changes to accommodate the issue regarding the longer bus routes this year. We appreciate your patience and understanding, Ahxehee' Ntsxaago.
