Communication

Communication that Parents/Athletes should receive from Coaches:

1. Expectations for their team and team members.
2. PASD policy for an excused absence, unexcused absence and/or being tardy to school.
3. PASD & PIAA requirements for academic eligibility.
4. Teams rules beyond the PASD policy and guidelines.
5. Procedures on dealing with injury or illness.
6. Cut procedures (if cuts need to be made)
7. Proper sportsmanship.
8. Method of communication (text, email, phone, etc...)
9. Practice and competition information and details.
10. Resources for college opportunities.

Communication that Coaches expect from the Parents/Guardians:

1. Notification of any schedule conflicts that may occur, well in advance of the date.
2. Special concerns or accommodations for their child's well-being.
3. How to support the team and team members?

Appropriate concerns a Parent/Guardian may address with Coaching Staff:

1. The mental and physical well-being of their child.
2. Ways to help their child.
3. Concerns about their child's behavior or disciplinary actions.
4. Concerns about their child's academic eligibility.

Topics that are not appropriate for Parents to discuss with Coaches:

1. Playing time.
2. Team strategy.
3. Game decisions and/or play calls.
4. Other members of the team or other parents.

Procedures to address a concern

Chain of Command:

The Portage Area School District, in conjunction with its Department of Athletics, follow the chain of command listed below. We ask that you observe the order of this line of communication if you elect to pursue any concern you may have with regard to the athletic program.

1. Head Coach
2. Athletic Director
3. Principal
4. Superintendent
5. Board of Education

Step One:

The student-athlete respectfully speaks with the coach. Parents/guardians should help their child prepare to discuss his/her concerns with the coach, to empower them to take responsibility.

Step Two:

If the meeting between the athlete and the coach does not resolve the concern, the parent/guardian should schedule a meeting with the coach. Please do not approach a coach before or after a contest. If the coach cannot be reached, the parent should contact the Athletic Director to arrange for the coach to contact the parent.

Step Three:

If the conference between the parent/guardian and coach does not resolve the concern, then the parent can request a meeting with the Athletic Director and/or HS Principal.

Step Four:

If the conference between the parent/guardian and HS Administration does not resolve the concern, then the parent can request a meeting with the Superintendent.

Step Five:

If there is no resolution, all parties involved will meet with the Board of Education.

Eligibility

Students are eligible only if they have completed a Comprehensive Initial Pre-participation Physical Evaluation (CIPPE), performed by an Authorized Medical Examiner (MD/DO) before their first sport season's first practice of that school year. If they want to participate in subsequent sport(s) in the same school year, they must be re-certified and may be required to be re-evaluated that their physical condition is satisfactory.

Students must be passing at least four full-credit subjects, or the equivalent, as of each Friday during a grading period. If they fail to meet this requirement, they will lose their eligibility from the immediately following Sunday through the Saturday immediately following the next Friday as of which they meet this requirement.

Students attending or participating in sports, extracurricular, co-curricular, or any school related activity must be in attendance at PAJR-SRHS on the day of the game or activity. Exceptions will be permitted for medical appointments with a written excuse from the licensed medical professional on the day of the activity or if the student receives approval from the administration prior to the event.

Students must report to school by 8:24am to be eligible to participate in extracurricular activities. Any student who must leave before the end of the school day must have approval from the administration or a medical excuse to be eligible for that day/evening's event.

Transportation

PASD will provide transportation to and from competitions. A student-athlete can provide their own transportation to a competition, but he/she must get approval from PASD administration prior to the event. To provide their own transportation after an event, the student-athlete can provide a note to the PASD administration prior to the event or the parent/guardian can present a note to the coach at the competition site.

Portage Area School District, Spectator Decorum Policy:

904. PUBLIC ATTENDANCE AT SCHOOL EVENTS

The Board welcomes the public at activities and events sponsored by the school district, but the Board also acknowledges its duty to maintain order and preserve school facilities during such events. Spectators, including students and adults, attending events involving Portage Area School District programs are expected to follow a certain level of sportsmanship.

The Board has the authority to prohibit at a school event the attendance of any individual whose conduct may constitute a disruption.

Spectator Decorum

The Board recognizes their responsibility to provide crowd control for school athletic events. Although P.I.A.A. by-laws refer to both schools, the primary responsibility for crowd control falls upon the home school and its high school principal.

A school principal has a greater range of authority and permissible actions against faculty, coaches, teams and students that s/he has against other spectators. P.I.A.A. by-laws dealing with athletic courtesy provides that any spectator who continually evidences poor sportsmanship should be requested not to attend future contests.

The district has developed the following guidelines in order to protect and provide safety for visiting teams, P.I.A.A. officials, and visiting spectators:

1. At the beginning of each school year, assembly programs will be held that makes it very clear to the student body what is expected of them as a spectator.
2. Written notification to all team parents/guardians will be given to inform them they are guests of the school and that unruly conduct simply will not be tolerated.
3. The PA announcer, at the beginning of each athletic contest, will deliver a short message concerning proper spectator sportsmanship.

Any spectator who behaves in an unsportsmanlike manner during an athletic or extracurricular event may be ejected from the event the person is attending by a game official, security personnel, or a school employee. Examples of unsportsmanlike conduct include:

- Using vulgar or obscene language
- Possessing or being under the influence of any alcoholic beverage or illegal substance
- Possessing a weapon
- Fighting or otherwise striking or threatening another person
- Failing to obey the instructions of a security officer or school district employee
- Engaging in any activity which is illegal or disruptive.
- Lack of self-control by showing excessive displays of anger or frustration
- Entering the playing area while the contest is in progress

In the event a spectator is removed from an athletic or extracurricular event by a game official, security personnel, or a school employee, that spectator shall be denied admittance to any athletic or extracurricular event involving the Portage Area School District for a period of time determined at a hearing by the Board of Education. Until such hearing occurs, the fan is banned from attending an athletic or extracurricular event involving the Portage Area School District.

The school principal or designee will notify the banned spectator by delivering or mailing a notice, sent by certified mail with return receipt requested, at least ten days before the Board of Education hearing date containing:

- The date, time, and location of a Board hearing
- A description of the unsportsmanlike conduct
- The proposed time period that admission to school events will be denied
- Instructions on how to waive the hearing

The duration of the suspension will be based upon the seriousness of the offense and the cooperation of the ejected fan. Penalties may include:

- One-year probation
- One-year suspension
- Permanent/long standing suspension
