DISCUSSION

Dr. Zito provided an update on the School Resource Officer (SRO) program. The district has a third post that is filled through overtime, four hours a day, and rotates through the schools. The administration contacted Sonitrol to obtain information on the cost of adding warning devices on the doors in the schools. This information will be brought to the Board of Education Finance Committee for potential inclusion in next year’s budget. Dr. Zito reported that CIRMA recently conducted a risk management assessment. A summary will be presented to the committee when it becomes available.
