SCHOOL – PARENT COMPACT **School Year 2025 – 2026** **Revision Date 07/02/2025**

Dear Parent/Guardian,

Randolph County Middle School, students participating in the Title I, Part A program, and their families, agree that this compact outline how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement as well as describes how the school and parents will build and develop a partnership that will help children achieve the State's high standards.

JOINTLY DEVELOPED

The parents, students, and staff of Randolph County Middle School partnered together to develop this school-parent compact for achievement. Teachers suggested home learning strategies, parents added input about the types of support they needed, and students told us what would help them learn. Parents are encouraged to attend annual revision meetings held in the spring each year to review the compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to participate in the annual Title I parent survey that is also used as a tool to collect parent feedback regarding the current Title I programs and policies.

To understand how working together can benefit your child, it is first important to understand the district's and school's goals for students' academic achievement.

RANDOLPH COUNTY SCHOOL DISTRICT GOALS:

- The percentage of students scoring at Proficient Learners or above on the Georgia Milestones (GAMS) English Language Arts End of Grade Assessment will increase by five percentage points.
