Good morning!

Please pause for a moment of silence.

Please stand for the pledge.

- The cafeteria will be serving FREE breakfast during EOC testing weeks. During this time there will not be a second breakfast.
- English EOC Testing will continue Today. Students will go to 1st, 3rd and 5th periods and will do Subpart 3 of the English test. On Monday students will go to 2nd, 4th and 6th periods. Students should be prepared to begin testing as soon as they enter their English classroom. That means you should have already been to the restroom and all devices, such as phones, smart watches, and airpods should be powered off and placed in your backpack. Students should try their best to be present and on time on the days that they are testing. If students have any questions about testing, please ask your English or Math teacher. Continue to check your email for additional testing information. There are 2 groups of students that will be taking Extended Time testing this morning. These students should already be in their testing areas.
- Progress Reports will be distributed to students this morning at the end of 1st period.
- **Got School Spirit?** Anyone interested in trying out for the 2023-2024 Red Raider Cheerleading Squad should see Ms. Clouse in room 303 for important information. Clinics will begin on April 24th and all paperwork is due that day. You must have a current physical on file to participate in tryouts.

Happy Birthday to Varice Hughes & Joel Barrera-Ramirez,

Thought of the day:

“Be a first rate version of yourself, not a second rate version of someone else.”

Have a Fantastic Friday and remember, we are proud to be a Raider!
