Dear New School Board Members,

It is with sincere pleasure that I welcome you to the Board of Directors of Grant School District #3. We are very pleased to have you as part of the board. We know that your skills and experiences will be an asset to our board and future work.

We meet one or two times each month and our work is extremely important. We meet on the 3rd Wednesday of each month for our regular board meeting. When needed, we schedule Work Sessions, which can happen anytime during the month. Our board members also serve on bargaining, calendar, strategic planning committees etc.

We have completed our OSBA Training Session and I want to remind you of this invaluable resource for our education and growth. Oregon State Board Association sent MR. STEVE KELLY – skelley@osba.org, a representative here to work and train our board members on board expectations, roles and responsibilities and he made himself available for future inquiries and correspondence.

As you know, Janet Myers, is our Board Secretary. She puts together our monthly agendas and communicates with board members on a regular basis. Janet, will also be contacting you over the next week or two, to schedule a meeting with me for completing the Swearing-In process, if not already scheduled. I look forward to the future and getting to know each of you.

Welcome once again, and we look forward to working with you and your valuable contributions.

Sincerely,

Louis Dix
Superintendent
