2025-2026
Chestnut Hill Elementary School
Annual Education Report (AER)

February 10, 2026

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2024-25 educational progress for Chestnut Hill Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about accountability, student assessment, and teacher quality. If you have any questions about the AER, please contact Mr. Christopher Waha Principal at 923-6640 or email wahacj@midlandps.org for assistance.

The AER is available for you to review electronically by visiting the following website: <https://bit.ly/44IbAqR>, or you may review a copy in the main office at your child's school.

For the 2025-26 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student group in 2024-25. An Additional Targeted Support (ATS) school is one that had at least one student group performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, failed to exit CSI status in 2024-25, or failed to exit ATS status in 2021-22. Some schools are not identified with any of these labels. In these cases, no status label is given.

Our school was not identified by the State as needing targeted, additional targeted or comprehensive improvement support.

The key challenge for our school is helping students that may have experienced learning loss. We also continue to work on narrowing the achievement gap across all of the tested subjects (mathematics, reading, science, social studies and writing), as well as increasing the Student Growth Percentile for every student.

We continue to emphasize The International Baccalaureate (IB) Primary Years Program (PYP). After a successful evaluation process in 2021, we are working on the recommended program improvements. Currently, we are in the process of renewing The International Baccalaureate (IB) Primary Years Program (PYP) status. The Next Generation Science Standards, Project Lead The Way, community presentations and student/class actions are being included in unit planners. The solid foundation that the IB PYP provides helps us to achieve the Midland Public Schools' Vision and Chestnut Hill Elementary Schools' Mission Statements for our students.

State law requires that we also report additional information.

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

School attendance boundaries are set by the Board of Education. All students living in the attendance area of a school attend that school unless the Schools of Choice option is selected.

2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

Our Continuous Improvement Plan for 2024-2025 was developed collaboratively with our school team and is aligned with the MPS District Continuous Improvement Plan. The plan contains two core goals and multiple strategies designed to increase academic growth and the well-being of students and create the most inclusive and equitable opportunities for students. The plan is revised annually based on need and is available for review in the school office and online at the district website.

3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL

There are no specialized schools in the Midland Public Schools.

4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL

A copy of the core curriculum may be obtained from the curriculum office at the MPS Administration Center. The core curriculum is fully implemented. There are no variances from the state's model.

5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS

Midland Public Schools administered state and local assessments in spring 2023 and 2024.
