## ***New*** Link Leader Application Project

We here at Link Crew are all about getting to know each other. In order for the Link Crew Advisor's to get to know you better, we are asking you to do a project in addition to your Link Crew application. Applications submitted without the project will not be accepted! Please choose one of the following options and be creative! This is your time to shine and as long as it fits the directions given, it works for us!

Choose one:

1. Make a one minute video explaining or demonstrating what leadership means to you. Be sure to clearly include your name and 6 digit student # in the video. Either save the video on YouTube, eyejot.com, (or another video website of your choice), and email the link to us at [pvhslinkcrew@gmail.com](mailto:pvhslinkcrew@gmail.com) or save the video on a flash drive and bring it with your completed application.

**or**

2. On an 8 ½ x 11 surface, (piece of paper, cardboard, etc.), create something that shows what leadership means to you. The project can be anything that fits on that surface; for example, a collage, essay, drawing, figure, etc. Be sure to clearly include your name and 6 digit student # on the project. If you choose to do an electronic project, send it to us at [pvhslinkcrew@gmail.com](mailto:pvhslinkcrew@gmail.com) Be creative!!

***\*\*If your project is not digital, please bring it to the school receptionist desk and turn it in with your completed application. Be sure your name is on your project as well!!!***
