A Note To You

Hello Families!
Please check in with your child to make sure they have PE shoes here at school. We have PE on Wednesday this week.
Continue to help your kiddo track their reading on their Silverwood reading logs to earn a Silverwood reading ticket.
Have a great week!
Mrs. Summerfield

Practice At Home

- ♦ Read and write together! After your child finishes reading a story, challenge them to add onto their story in writing OR write a retell of the main events. Pay close attention to spelling!
- ♦ For math, practice adding and subtracting numbers using a variety of different strategies. These strategies might include decomposing numbers, using a number line, or drawing the base ten form of the numbers to add or subtract, etc.
- ♦ Challenge your kiddo to measure items around the house using a variety of measurement units. Then, discuss the difference in lengths and widths of those objects.

Practice At Home

Spelling: au, aw, augh

Au- comes in the middle of a word like in 'haul' and 'fault'

Augh - comes in the middle of a word, like in 'caught'

Aw- comes at the end of a word, like in 'thaw' and 'saw' AND can be followed by 'n' like in 'fawn' and 'yawn' AND ends a syllable like in 'aw/ful' and 'aw/kward'

Reading: We are picking up where we left off with our pollinator research. We are researching a chosen pollinator and making posters to present our findings.

Math: We are beginning to investigate creating graphs to display data we've gathered.

Science: We will be learning more about properties of materials and applying what we've learned to make a glue
