

BOARD - SUPERINTENDENT RELATIONS

The Board believes that policy-making is a primary function of the School Board and that the execution of those policies is the primary function of the Superintendent.

The Board, as a whole, and individual members, will:

1. Give the Superintendent full administrative authority for properly discharging his/her professional duties, holding him/her responsible for acceptable results.
2. Act upon matters of employment or dismissal of school personnel only on the recommendation of the Superintendent.
3. Hold all meetings of the Board in the presence of the Superintendent or his/her designee except when his/her contract and salary are under consideration.

Delegation by the Board of its executive powers to the Superintendent provides freedom for the Superintendent to manage the schools within the Board's policies and frees the Board to devote its time to policy-making and appraisal functions.

The Superintendent is responsible for the administration of Board policies, the execution of Board decisions, the operation of school programs, for keeping the Board informed about school operations and issues.
