## Sick Leave

Full-time employees earn one (1) day of sick leave for each month employed during the school year. These days accumulate for an unlimited number of days. Part-time employees also earn one (1) day of sick leave for each month employed during the school year. The days are recorded as whole days. If the employee uses a sick day for the hours that they work per day, the employee uses a whole sick day.

Staff will be advanced their sick days at the beginning of the year and allowed to use unearned sick days to the amount they may accumulate during the school year in which they are employed. Upon termination of employment of the staff before the days are earned or at the end of the school year, the days shall be deducted from the final salary of the teacher an amount based on the staff's daily rate of pay sufficient to cover the excess sick leave days used by the staff, and if the final salary is insufficient, the staff shall be liable for reimbursement of any amount in excess of the staff's final salary.

Sick leave shall be defined as: illness from natural causes or accident, quarantine, or illness or death of a member of the immediate family, including spouse, parents, grandparents, children, grandchildren, brothers, sisters, mother-in-law, father-in-law, daughter-in-law, son-in-law, brother-in-law, and sister-in-law. **SICK LEAVE BANK COMMITTEE:** A Committee of Trustees in accordance with the provisions and procedures outlined below shall administer the sick leave bank. The committee will be composed of three (3) members; two (2) members of the School Board, and the Superintendent, who shall chair the committee. This committee shall be appointed with the statute.

6. Employees will enroll only during October of every year, and shall be enrolled without regard to pre-existing conditions of health if they are on active duty (on the job) at the time of contribution. Eligible employees must have accumulated two(2) sick days to join the sick leave bank.
7. All donations to the bank are "final" and may not be returned to the donor unless the bank is dissolved.
1. Employees shall receive benefits from the bank for their contracted period of employment. No benefits shall be paid for those days when an employee would not normally be in pay status.

The trustees shall act either affirmatively or negatively on all applications within ten (10) calendar days of the application. (Leave grants from the bank, approved by the trustees, shall not be more than twenty (20) consecutive days for which the individual applicant would otherwise lose pay.) The trustees shall inform the office of all applications they approve and the amount of additional leave granted the member. If the trustees determine it necessary, they may require a physician's certificate of condition from any member requesting additional leave. Spouses who are both eligible employees of the District are limited to a combined total of twelve (12) workweeks of FMLA leave in a single twelve (12) month period if the leave is taken for the birth and care of a newborn child, for the placement of a child for adoption or foster care, or to care for a parent who has a serious health condition. Under certain circumstances, spouses who share leave for the birth or adoption of a child may be eligible for limited amounts of additional leave for other qualifying FMLA reasons.

For additional information, refer to [Board Policy 5.305](#)

## Extended Disability Leave

The Director of Schools/designee may require an employee to provide verification of a medical condition that will justify the need for disability leave.

# Dyersburg City Schools

---

## Professional Leave

Professional leave is a short, temporary absence for the purpose of attending workshops and other meetings relating to school business or serving on boards and commissions which meet during daytime hours when appointed by a mayor, city council, county executive or county commission.

For additional information, refer to [Board Policy 5.303](#)

## Emergency Leave

Employees shall inform their immediate supervisor as soon as practicable of the need for emergency leave. Forms documenting this type of leave shall be submitted on the day after returning to work from the emergency leave.

For additional information, refer to [Board Policy 5.301](#)

## Jury Leave

If an employee is summoned for jury duty, he/she shall present written evidence that he/she has been summoned to serve on a jury. The employee shall be entitled to the usual compensation, less the amount paid by the court.

For additional information, refer to [Board Policy 5.301](#)

## Military Service Leave

Military leave shall be granted in accordance with state law. Employees are responsible for notifying their immediate supervisor of the relevant dates. A copy of the orders for duty, including the dates of departure and return, shall be submitted when requesting leave.

For additional information, refer to [Board Policy 5.306](#)

## Leave for Military Family Members (FMLA)

1. Qualifying Exigency Leave - Eligible employees are entitled to up to twelve (12) workweeks of leave because of any “qualifying exigency” arising out of the fact that the spouse, son, daughter, or parent of the employee, as defined under the FMLA, is on active duty, or has been notified of an impending call to active duty, or has been notified of an impended call to active duty status in the Armed Forces. Qualifying exigencies may include:
  - a. Issues arising from the service member’s short notice deployment;
  - b. Military events and related activities (e.g. official ceremonies, support programs);

# Dyersburg City Schools

---

- c. Making or updating financial and legal arrangements;
  - d. Attending counseling;
  - e. Taking up to fifteen (15) days leave to spend time with a covered service member who is on short-term rest and recuperation leave during deployment; or
  - f. Attending post-deployment activities.
2. **Military Caregiver Leave** - An eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered service member or covered veteran with a serious injury or illness is entitled to up to twenty-six (26) workweeks of leave in a “single twelve (12) month period.” A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in out-patient status, or is otherwise on the temporary disability retired list for a serious injury or illness.

A covered veteran is an individual who was a member of the Armed Forces at any time during the period of five (5) years preceding the date of the medical treatment, recuperation, or therapy that has a serious injury or illness who is currently receiving medical treatment, recuperation, or therapy. The calculation of this five (5) year period shall not include the interval of October 28, 2009 through March 8, 2013.

The “single twelve (12) month period” for military caregiver leave begins on the first day the employee takes leave for this reason and ends twelve (12) months later. An eligible employee is limited to a combined total of twenty-six (26) workweeks of leave to provide care for a covered service member. The maximum of twenty-six (26) workweeks may include no more than twelve (12) workweeks of leave that is taken for the birth and care of a newborn child, for the placement of a child for adoption or foster care, for care of a parent who has a serious health condition, or for the employee's own serious health condition

## Unpaid Leave

Leave without pay may be granted upon written request to the principal. There will be a \$25 per event processing fee for a request for day(s) without pay for any employee. If a request is made to be off without pay, the amount to be deducted will be determined by taking the contracted salary divided by the number of days contracted to work to get the amount paid per day. The amount paid per day will then be multiplied by the number of days requested to be off without pay. This calculated total will be shown as a negative adjustment to the gross wages for that month. We will then apply the \$25 processing fee as a separate payroll deduction.

Employees will:

- Use up-to-date virus protection software on any computer on which district files are created, saved or modified, including electronic mail (provided and installed by the district)
- Check district electronic mail accounts on a regular basis
- Use conventional academic standards of proper spelling, grammar, accuracy of information and greetings in all electronic materials, including a proper signature (technology staff can assist in creating a default signature for you)

Employees who work with students are expected to make every reasonable effort to ensure that students use technology appropriately and responsibly. Administrators, teachers, and staff have a professional responsibility to work together to help students develop the intellectual skills needed to discriminate among information sources, to identify information appropriate to their age and developmental levels, and to evaluate and use information to meet their educational goals.

## Student Information

Privacy of student information and adherence to FERPA (Family Educational Rights and Privacy Act) is critical. District employees shall not transmit or electronically publish material regarding students, parents/guardians, or district employees that are protected by confidentiality laws. Do not use electronic mail for confidential matters or privileged communications such as student records unless appropriate encryption measures are taken to ensure confidentiality and maintain the appropriate privilege. If material is not legally protected but is of a confidential or sensitive nature, great care shall be taken to ensure that only those with a "need to know" are allowed access to the material. Staff members shall handle all employee and student records in accordance with Dyersburg City Schools' policies.

## Privacy

Electronic mail and other electronic records are subject to the Public Records law, which means that any e-mail or files sent, received, or stored on the school district's technology systems is the

---

property of the school corporation, and could become public information (i.e. appear in a newspaper) or subpoenaed for court purposes. In addition, the school district reserves the right to inspect electronic mail if there is reasonable cause to expect wrongdoing or misuse of the system. Deleted e-mail can often be retrieved if necessary. For these reasons, employees should have no expectation of privacy of electronic files.

## Security

Security on any computer system is a high priority, especially when the system involves many users. If you feel you can identify a technology related security problem, you must notify the district administrator immediately. Safeguard your passwords, and select secure passwords. Do not use another employee's account or modify files, passwords or data belonging to another employee without consent from that individual or authorization from the appropriate administrator. Any user identified as a security risk, or as having a history of problems with other computer systems, may be denied access to district technology.

## Vandalism

Vandalism will result in cancellation of privileges. Vandalism is defined as any malicious attempt to harm or destroy or alter data of another user, Dyersburg City Schools, the Internet, or any agencies or other networks that are connected to the Internet. This includes, but is not limited to, the intentional uploading or creation of computer viruses.

## Privilege

The use of technology is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. The district administrator will deem what is inappropriate use and that decision is final. The system administrator(s) may restrict access to technology resources at any time, as required.

## Social Media

Employees should exercise care in setting appropriate boundaries between their personal and public online behavior, understanding that what is private in the digital world often has the possibility of becoming public, even without their knowledge or consent. Dyersburg City Schools strongly encourages all employees to carefully review the privacy settings on any social media and networking sites they use and exercise care and good judgment when posting content and information on such sites.

When using a social media site, an employee is strongly discouraged from including current, minor students as "friends," "followers," or any other similar terminology used by various sites without the written permission from the student's parent. If an employee maintains or participates in a Dyersburg City Schools sponsored online community that extends to persons who are parents, alumni, or other constituents, she/he must exercise good judgment about any content that is shared on the site.

For additional information, refer to [Policy 4.406](#).

## No Warranty

Dyersburg City Schools make no warranties of any kind, whether expressed or implied, for the service it is providing. The district will not be responsible for any damages you suffer using district technology. This includes loss of data resulting from delays, non-deliveries, or service

interruptions. Use of any information obtained via the Internet is at your own risk. Dyersburg City Schools specifically denies any responsibility for the accuracy or quality of information obtained through our services.

All employees of Dyersburg City Schools must indicate their knowledge of and agreement with the above conditions by signing the attached staff contract agreement for use of Dyersburg City School technology resources at the time of hiring. This contract will be an on-going contract until employee has retired/resigned/terminated from Dyersburg City Schools.

## Assaults and Threats of Violence

Employees shall report all threats (oral, written, or electronic) to their immediate supervisor. Threats will be handled in accordance with [Board Policy 5.600](#)

## Child Abuse Reporting

If employees know or have reasonable cause to suspect child abuse, sexual abuse, or neglect, a report shall be filed immediately with the Department of Children's Services, local law enforcement, and the school's Child Abuse Coordinator. The report shall include, to the extent known by the reporter:

1. The name, address, telephone number, and age of the child;

---

Individual employees shall not give gifts to staff members who exercise administrative or supervisory jurisdiction over them.

Employees may collect money for group gifts, subject to the approval of the principal and in accordance with board policy.

Employees are prohibited from accepting things of material value from individuals, companies, or organizations doing business with the District. Exceptions to this include the acceptance of minor items which are generally distributed to all by the companies through public relations programs.

Any donations to the District shall comply with [Board Policy 5.605](#)

## Solicitations

Employees shall not use their position for personal gain by soliciting students or fellow employees.

Employees shall not be responsible for the collection of any money or the distribution of any fundraising materials within the schools unless such activity has the Director of Schools' written approval.

Employees shall not provide a list of parent(s)/guardian(s), students, or employees for solicitation or other purposes without the prior approval of the Director of Schools.

For additional information, refer to [Board Policy 5.605](#)

All work-related injuries or illness must be reported to your supervisor. They will complete a Worker's Comp Injury report, if you require medical treatment, your supervisor will contact your Workers' Comp representative to arrange treatment at one of the approved clinics listed below. After you make your selection, your injury report and a prescription card will be sent to the clinic *in advance* of your visit. If you are given a prescription, it can only be filled at Walgreens, Walmart or Kroger Pharmacy using the prescription card you are given. Do not use your private insurance.

### Approved Clinics:

3. FIRST CHOICE MEDICAL CARE, 1950 Cook Street #D, Dyersburg (731) 285-7999
