Dear Laurie Maughan,

Congratulations! Clatskanie High School has reached a significant milestone—100 years as an accredited institution. In today's world of overnight startups, reinvented industries, and online commerce, very few organizations can claim the distinction of 100 years of service and excellence. With a focus on school improvement, your institution continues to demonstrate an unwavering commitment, striving to help all students reach their potential.

Expectations, standards, and practices have certainly changed in 100 years, but what hasn't changed is the dedication of your community of educators to meet the many challenges along the way. We commend your entire faculty, staff, and community, who share in this achievement.

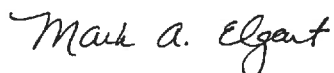

At Cognia, we believe your success is our mission. At Clatskanie High School, you and your staff continue to create opportunities that propel learners toward college and career readiness. We're honored to have been a part of your improvement journey, and we look forward to continuing our work together.

On behalf of Cognia®, please accept this banner and framed certificate commemorating your 100 years of accreditation. You have my best wishes for the continued vitality of your institution and for many more years of dedicated and meaningful service to students. Celebrate your accomplishment far and wide—it is truly something to be proud of in your community and beyond.

We invite you to share your institution's success story and the positive impact of this achievement. Your story might be featured in "The Insider" member newsletter. Additionally, we are eager to help you promote your new status. Digital assets are available at <https://extranet.cognia.org/milestone>.
