12/4 Derek H.
12/4 Charles E.

Our mission is to guarantee that every student achieves high levels of learning and development.

We wish you and your loved ones a safe, relaxing, and Happy Thanksgiving filled with family, laughter, and cherished memories!
Happy Thanksgiving from all of us at Tri-Township Schools! 💚🖤

Reminder: There will be no newsletter next week due to the holiday.

With fall/winter sports in full swing, we're bringing back the WORK shirts!

This week's recipients are:

From the middle school 7/8th basketball team: 8th grader, Logan Parlin. Logan is averaging 11 points per game through the first four games of the season and plays a key role on defense. He's also stepping up as a leader and setting an example for his teammates. Great job, Logan! Also, 7th grader, Harrison Phegley. Harrison has become a dependable sixth man for the 8th grade team and is only a seventh grader. He sets screens, grabs rebounds, and, most importantly, brings energy every time he steps on the floor! Well done, Harrison and Logan! ~ Coach Wellsand.

From the girls varsity basketball team: Junior, Jaydin Anderson. Jaydin wasn't even going to play basketball this season, but since the season has started, she has been at every practice giving 100%! She works hard at practices and games, diving after loose balls and going after rebounds. As a result, her improvement has been noticeable. Great job, Jaydin! ~ Coach Pryor (*Jaydin Anderson, not pictured.*)

To all of our student athletes; we appreciate all of your hard work and dedication in being an integral part of our Athletic Department at Tri-Township.

HEARING SCREENING

Tri-Township School will conduct routine Indiana required hearing screening for Students in first, fourth, seventh, and tenth grades, students who have transferred into the school corporation, as well as students suspected of having a hearing deficit. Families are encouraged to refer students in the non-mandatory grade levels for a screening if they are suspected of having a hearing deficit. The screening process will take place on December 8, 2026.

-Purpose of the screening
Hearing screenings help identify students who may have hearing concerns that could affect learning, speech, or classroom participation. The screening is quick, non-invasive, and non-diagnostic-it does not replace a full medical or audiological evaluation. Results are recorded as either Pass or Refer. If your child receives a Refer, we will notify you and recommend follow-up with a healthcare provider or pediatric audiologist.

-Opt-Out/Decline Process
Per Indiana Hearing Screening Guidelines, parents/guardians are notified prior to screenings and have the option to decline participation. If you do not want your child screened on December 8, 2026, please submit a written opt-out notice or contact the office by December 4, 2026. (no action is needed if you want your child to participate.)

For questions about the screening process or schedule, please contact:
Susan Martin RN
