NOTE: Only answer the questions below that apply to how the LEA will use GEER funds.

2A. Equitable Services Assurances

The LEA Superintendent or his/her authorized representative assures or certifies the following:

- The LEA receiving GEER funds will provide equitable services to students and teachers in non-public schools located within the LEA in the same manner as provided under Section 11.17 of the ESEA as determined through timely and meaningful consultation with representatives of non-public schools.
- The LEA will ensure that a public agency will maintain control of funds for the services and assistance provided to a non-public school under the GEER fund.
- The LEA will ensure that a public agency will have title to materials, equipment, and property purchased with GEER funds.
- The LEA will ensure that services to a non-public school with GEER funds will be provided by a public agency directly, or through contract with, another public or private entity.

Provide a brief explanation answering the following questions:

- 1) Were services from private schools accepted or refused in your LEA?**
- 2) If services were accepted by private schools, who accepted and what allocation did they receive?**
- 3) When did private schools in your LEA receive timely and meaningful consultation?**
- 4) What services will each private school receive and when will the services be implemented?**
- 5) How will GEER funds be used to improve remote learning services and support technical capacity and access at private schools within your LEA?**
- 6) If a private school administrative set-aside is being taken by the LEA, what is the allocation and how will it be used?**

There are no private schools in the Pike County Schools attendance zone.

2B. Equipping School Buses with Wi-Fi Capabilities

Provide details as to how the LEA will use GEER funds to connect Wi-Fi to district buses.

Pike County Schools will use GEER funds to outfit 23 school buses with WiFi for at least 1 year. The buses that run routes to each of our communities were selected by our Transportation Supervisor. The WiFi devices are being purchased from nSide and will provide unlimited data plans with cellular routers on each bus to provide WiFi for our students. Hard installation kits with antennas for each bus will be installed the week of Nov. 9th -13th.

myON provides a personalized digital library for each student and can be used for Intervention and remediation. Teachers ensure grade level COS alignment by assigning students appropriate reading tasks and monitoring them. The library is available 24/7, at school and home, online and offline. myON offers close-reading tools, recorded audio, and a built-in directory and manipulatives.

Aimsweb Plus enable Pike County Schools to offer continuity in assessing students above third grade. Aimsweb Plus screens and monitors the reading and math skills through 12th grade. Pike County uses the program through 8th grade. Aimsweb Plus also has add-on screeners for behavior and dyslexia (grades 4-8) for a comprehensive, all-in-one system.

Rosetta Stone helps remote students continue to acquire English language. It personalized language learning through an adaptive model, while incorporating scaffolding instruction and speech recognition technology. Individualized learning paths help students to take ownership of their own language development. It is available 24/7 at school and home, online.

Parents are able to access current information on school and systems websites. They can sign up for electronic notifications/reminders of school events and activities through the "Notify Me" system on each school's webpage. They can also elect to have the notices sent to email accounts or as a text message. The School Messenger system is used to contact parents in emergency and system-wide notification situations. In addition, parents may download the Pike County Schools app on Apple and Android devices and/or follow Pike County Schools on Twitter and Facebook.

Targeted students in grades 7-12 will participate in before and after school tutoring beginning Fall 2021. They will have an opportunity to receive intervention in classes in which they are currently enrolled. Tutoring will take place after school, in what we call 5th block, from 3:30-5:00 p.m.; or before school (0 block), beginning at 6:45 AM. Both will be 3-5 days per week. Transportation and snacks will be provided. Teachers selected for tutoring will be those who have demonstrated an ability to improve student performance. School administrators will oversee the tutoring program.

2D. Before/After School Tutoring

Describe how the following conditions will be maximized through the purchase of resources, tools, or other supports with the use of GEER funds:

- Aligns to *Alabama Literacy Act* requirements for students who are identified with a reading deficiency;
- Provides learning opportunities outside of the traditional school day; and
- Includes description of employee duties/responsibilities aligned to intensive intervention needs.

Targeted students in grade K-3 will participate in after school tutoring beginning Fall 2021. They will have an opportunity to improve reading skills through varied instructional approaches. Teacher-led, direct, explicit systematic reading intervention will be provided using a SDE approved program. Tutoring will take place 3:30-5:00 p.m., 3 days per week. Transportation and snacks will be provided. Teachers selected for tutoring will be those who have demonstrated an ability to improve student performance. School administrators will oversee the after school tutoring program.

3. Budget Development

The LEA Superintendent or his/her authorized representative assures or certifies the following:

The LEA will use GEER funds for activities outlined in the application and allowable under Section 18002(c) of Division B of the CARES Act. The United States Department of Education **does not** expect administrative or executive salaries and benefits for IHEs, SEAs, or the other education related entities referenced at Section 18002(c)(3) to be a lawful purpose for GEER funds.

Total CARES Act - GEER Allocation: **\$159,196.00**
 (NOTE: Make sure to include Equitable Services in the total)

Provide a detailed budget to explain how GEER funds will be used at the LEA as identified by data, needs assessments, and other areas impacted by the COVID-19 pandemic.

How will the LEA plan for implementation and measure impact for effectiveness for purchases identified?

Pike County Schools conducts routine surveys to assess educational needs. Two surveys have been conducted to determine the technological needs of students. Two surveys have been conducted to determine the professional learning needs of teachers. In addition, an informal internal needs assessment was conducted on Pike County Schools' initial response to the pandemic. Information gathered was used to determine Pike County's implementation plan. Impact for effectiveness of purchases will be determined by proficiency recorded in student achievement data.

What is the proposed timeline for providing services and assistance to students and staff?

July: virtual school option decision, purchase web-based programs
August: devise deployment, student assessment, teacher professional learning
September: student remediation begins
October: monthly data meetings begin
November: install bus WIFI
January, forward: ongoing professional learning, student data analysis and intervention

All GEER funds will be obligated and concluded by 9/30/2022

OTHER ASSURANCES AND CERTIFICATIONS

4. Other Assurances and Certifications

The LEA Superintendent or his/her authorized representative assures or certifies the following:

- The LEA that receives GEER funds will, to the greatest extent practicable, continue to pay its employees and contractors during the period of any disruptions or closures related to COVID-19 in compliance with Section 18006 of Division B of the CARES Act.
- The LEA will comply with the maintenance of effort provision in Section 18008(a) of Division B of the CARES Act absent waiver by the Secretary pursuant to Section 18008(b) thereof.
- The LEA will cooperate with any monitoring policies and/or procedures with regards to the allowability of expenditures.
- The LEA will cooperate with any examination of records with respect to such funds by making records available for inspection, production, and examination, and authorized individuals for interview and examination, upon request.
- The LEA will use GEER funds for purposes that are reasonable, necessary, and allocable under the CARES Act.
- The LEA will comply with the provisions of all applicable acts, regulations and assurances; the provisions of Education Department General Administrative Regulations in 34 CFR Parts 75, 76, 77, 81, 82, 84, 86, 97, 98, and 99; the OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR Part 180, as adopted and amended as regulations of the Department in 2 CFR Part 3485; and the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR Part 200, as adopted and amended as regulations of the Department in 2 CFR Part 3474.

5. Section 427 of the General Education Provisions Act Assurances

The LEA Superintendent or his/her authorized representative assures or certifies the following:

(a) The purpose of this section is to assist the Department in implementing the Department's mission to ensure equal access to education and to promote educational excellence throughout the Nation, by -

(1) ensuring equal opportunities to participate for all eligible students, teachers, and other program beneficiaries in any project or activity carried out under an applicable program; and

(2) promoting the ability of such students, teachers, and beneficiaries to meet high standards.

(b) The Secretary shall require each applicant for assistance under an applicable program (other than an individual) to develop and describe in such applicant's application the steps such applicant proposes to take to ensure equitable access to, and equitable participation in, the project or activity to be conducted with such assistance, by addressing the special needs of students, teachers, and other program beneficiaries in order to overcome barriers to equitable participation, including barriers based on gender, race, color, national origin, disability, and age.

(c) The Secretary may establish criteria and provide technical assistance for meeting the requirements of this section.

(d) Nothing in this section shall be construed to alter in any way the rights or responsibilities established under the

What steps does the LEA propose to take to permit students, teachers, and *other program* beneficiaries to overcome barriers (including barriers based on gender, race, color, national origin, disability, and age) that impede equal access to, or participation in, the program?

Pike County Schools makes every attempt to remove any known barriers for students, parents, teachers, and other program beneficiaries to fully participate in any and all educational opportunities. PCS provides coordination and assistance to its schools in planning and implementing activities by creating opportunities for parent meetings, setting agendas for those meetings, providing parent resources on student achievement, ensuring Title I Parent meetings are held, providing parent newsletters, and sponsoring an annual Parent Expo.

6. Section 442 of the General Education Provisions Act: Assurances

The LEA Superintendent or his/her authorized representative assures or certifies the following:

- (a) Each local educational agency which participates in an applicable program under which Federal funds are made available to such agency through a State agency or board shall submit to such agency or board a general application containing the assurances set forth in subsection (b). The application shall cover the participation by that local educational agency in all such programs.
- (b) The general application submitted by a local education agency under subsection (a) shall set forth assurances
- (1) that the local educational agency will administer each program by the application in accordance with all applicable statutes, regulations, program plans, and applications;
 - (2) that the control of funds provided to the local educational agency under each program, and title to property acquired with those funds, will be in a public agency and that a public agency will administer those funds and property;
 - (3) that the local educational agency will use fiscal control and fund accounting procedures that will ensure proper disbursement of, and accounting for, Federal funds paid to that agency under each program;
 - (4) that the local educational agency will make reports to the State agency or board and to the Secretary as may reasonably be necessary to enable the State agency or board and the Secretary to perform their duties and that the local educational agency will maintain such records, including the records required under section 443, and provide access to those records, as the State agency or board or the Secretary deem necessary to perform their duties;
 - (5) that the local educational agency will provide reasonable opportunities for the participation by teachers, parents, and other interested agencies, organizations, and individuals in the planning for and operation of each program;
 - (6) that any application, evaluation, periodic program plan or report relating to each program will be made readily available to parents and other members of the general public;
 - (7) that in the case of any project involving construction -
 - (A) the project is not inconsistent with overall State plans for the construction of school facilities, and
 - (B) in developing plans for construction, due consideration will be given to excellence of architecture and design and to compliance with standards prescribed by the Secretary under section 504 of the Rehabilitation Act of 1973 in order to ensure that facilities constructed with the use of Federal funds are accessible to and usable by individuals with disabilities;
 - (8) that the local educational agency has adopted effective procedures for acquiring and disseminating to teachers and administrators participating in each program significant information from educational research, demonstrations, and similar projects, and for adopting, where appropriate, promising educational practices developed through such projects; and
 - (9) that none of the funds expended under any applicable program will be used to acquire equipment (including computer software) in any instance in which such acquisition results in a direct financial benefit to any organization representing the interests of the purchasing entity or its employees or any affiliate of such an organization.
- (c) A general application submitted under this section shall remain in effect for the duration of the program it covers. The State agencies or boards administering the programs covered by the application shall not require the submission or amendment of such application unless required by changes in Federal or State law or by other significant change in the circumstances affecting an assurance in such application.

To the best of my knowledge and belief, all the information and data in this agreement are true and correct. I acknowledge and agree that the failure to comply with all Assurances and Certifications in this agreement, all relevant provisions and requirements of the CARES Act, Pub. L. No. 116-136 (March 27, 2020), or any other applicable law or regulation may result in liability under the False Claims Act, 31 U.S.C. § 3729, et seq.; OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR Part 180, as adopted and amended as regulations of the Department in 2 CFR Part 3485; and 18 U.S.C. § 1001, as appropriate.
