

SIGNED, SEALED, INSTALLED!

We are proud to unveil our brand new sign! This has been an excellent addition to our school and community and could not have been possible without the support of so many! We were awarded a generous \$10,000 grant by Tom Sanders from the SCCF and the Monteagle Beautification Committee was instrumental in supporting this project. While our previous sign has served as a beacon of information for the past 20+ years, the electronic sign will enhance our communication and keep our students, parents, and community members in the know with ease.
