

Week of: March 11th – 15th

Theme: Games & Sports

This week will consist of the theme focused on games and sports. We will be focusing on the letter: V and numbers: 3 and 4 this week. We will play different types of games. We will learn about and play different types of sports. We discuss sportsmanship, making choices, using our words, how to be encouraging, sharing, being a good friend, and how to help others. We will read books about sports. Music and movement will consist of singing and dancing to gross motor songs. We will attend music class on Wednesday! We will work on the following literacy skills: letter identification and letter sounds. We will work on the following math skills: number identification, counting, and quantifying. For science, we will go on a flower hunt. We will discuss living and nonliving items found in our environment. We will discuss the parts of a flower and observe the flowers with magnifying glasses. We will strengthen our fine motor skills by writing our names, letters, and numbers and working in our journals. This week will be filled with fun while learning about our letters, numbers, games, and sports!
