1 If the district is fractional, write the names of the children in each toposhin separately under the name of the township, beginning with that township in which the district is in part situated. A separate statement must be made to the cierus of the several townships in which the district is in part situated, giving the number of children five years of age and under twenty years residing in that part of the district lying within their respective townships. 2. If there is not space on this page sufficient to contain the names of all the children in the district, write the remainder upon ordinary foolscap paper, properly ruled, and attach the same to this sheet. Do not use additional blanks.
