

As students, we will:

- Listen and learn from my teachers and parents to improve literacy and math.
- Read books daily in my Lexile Range.
- Read daily for 20 minutes.
- Set/Meet Exceed my goals.
- Track my goal progress using my goal setting tools.
- Keep my learning organized.
- Use teacher feedback to grow.
- Reflect weekly on progress toward my goals.
- Share my work with my parents each Tuesday through my Know My Numbers Binder

#CarryTheBanner

Our Goals for Student Achievement District Goals

The percentage of students scoring at Proficient or above on the Spring 2022 STAR Reading & STAR Math will increase by three percentage points.

School Goals

- Bowdon Elementary will increase the number of students scoring Proficient or above on the spring 2022 STAR Reading & STAR Math by three percentage points.

Areas of Emphasis

- Grades K-5 will focus on increasing Lexile Levels in Reading and Early Literacy Skills
- Grades K-2 focus on increasing understanding of Number Sense.
- Grades 3-5 focus on increasing understanding of Problem Solving in Math, Fact Fluency and Operations/Fractions

What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home. Together with Carroll County Schools, we are positively changing lives as we “Carry The Banner” for Bowdon Elementary School.

Jointly Developed

The parents and staff worked together and shared ideas to develop the school-parent compact. Teachers from each grade level met to suggest valuable commitments to ensure students are engaged and learning. Parents provided valuable feedback on the drafts presented at two different Title One Input Meetings. We encourage all parents and students to continually provide feedback throughout the year. All feedback is collected and reviewed for future revisions to the compact.

#CarrytheBanner

As a school, we will:

- Develop homework assignments that allow parent participation and provide parents with resources for helping their child in literacy and math through parent newsletters.
- Reward students meeting their reading goals and increased Lexile levels.
- Integrate STEM, critical thinking, and problem-solving in all content areas.
- Communicate student progress using student Know Your Numbers Binder,, Class DoJo, Parent Conferences, Mid-terms, report cards, goal sheets and Parent Phone Calls.
- Students current reading Lexile level will be reported to parents at a minimum of once per nine weeks.
- Infinite Campus is updated weekly with student achievement information that can be accessed by parents for all content areas in grades 3, 4 and 5.
- If needed, parents are welcome to set up an appointment with the teacher to observe in the classroom.
- Focus on safety and security for our students and their social/emotional needs
- For Questions or Concerns: Please Call Lorie Teal, Principal at BES.

As parents, we will:

- Use strategies highlighted in the parent newsletter for helping my student better understand literacy and math.
- Monitor reading twenty minutes daily.
- Report at-home reading has occurred by recording book titles in your child’s Know Your Numbers Binder each night Pk-5.
- Monitor our student’s book choices to assure it is in an appropriate Lexile level.
- Review weekly academic progress by discussing returned work in the Know Your Numbers Binder each Tuesday night.
- Encourage and assist my student’s fluent recognition of sight words.
- Assist student in learning to recognize numbers, addition & subtraction facts, multiplication & division facts, fluently.
- Review my student’s growth in writing.
- Monitor my child’s progress on academic goals by checking the Know Your Numbers Binder for goal progress.
