

Who we are

Discovery Place Preschool Jackson County Central Schools

Discovery Place Preschool is excited to provide all children with the care, developmental support, and encouragement they need to grow and learn. We are a 4-star rated program. You can learn more about that on www.parentaware.org.

Some of the highlights of our program include:

- Uses consistent routines to support children
- Talks with children and families to better understand interests and culture
- Shares important community resources with families
- Learns about each individual child by observing and taking notes
- Plans school-readiness activities for children
- Guides families through their children's transition to kindergarten
- Plans for continued learning and professional growth
- Uses a curriculum aligned with Minnesota's early learning standards
- Teaches in a way that is organized, challenging and warm
- Helps children transition between activities and stay engaged
- Uses approved tools to track children's development
- Makes accommodations for children with special needs and their families
- Has highly-qualified and trained leadership staff, teachers, and providers
- Encourages healthy living through nutrition and physical activity
- Always evaluating to set goals for growth

Who we are

Kids Club Jackson County Central Schools

Kids Club is our childcare program. Kids Club offers all day care to children 33 months and older along with before- and after-school care to school age children. Childcare is available year round, including summer and days when school is not in session.

The contact for Kids Club Childcare is Darci Thurmer.
