['Revival on Halloween Night': Hundreds Worship Jesus as Baptisms Unfold in Streets of Baton Rouge](#)

Songs of worship and praise rang out on the streets of Baton Rouge, Louisiana, on Halloween as hundreds of Christians gathered near the Louisiana State University campus for a revival-type event led by worship leader Sean Feucht. "Worship, salvations, baptisms, and a move of the Holy

Spirit taking back Halloween," the worship leader described on X. Video footage reveals hundreds of people at the altar lifting up the name of Jesus. And other footage shows people taking part in spontaneous water baptism in a bold declaration that they are giving their lives to God.

[Cory Asbury Gives Update on Alternative Super Bowl Halftime Show: 'A Jesus Moment'](#)

Cory Asbury has a vision of "mass salvations" on Super Bowl Sunday.

About a month ago, Asbury and fellow Christian singer-songwriter Forrest

Frank teased the idea of faith-based halftime show to take place at the same time as the NFL's Super Bowl halftime program featuring Bad Bunny, a Puerto Rican rapper known for his sexually explicit lyrics. Asbury, 40, posted a video Tuesday, saying he's received "tens of thousands of messages and comments" since he first floated the idea of an alternative show. And, in the weeks since he and Frank brought it up, the conservative organization Turning Point USA announced it would be hosting its own alternative halftime show during the football game on Feb. 8, 2026. <https://youtu.be/FGYKGHP2IzY>

[Trump threatens to halt all US aid, conduct 'vicious' military attack in Nigeria over Christian persecution](#)

President Donald Trump on Saturday announced the U.S. will immediately stop all aid and assistance to Nigeria if its government continues to allow the

killing of Christians, and may even go into the country "guns-a-blazing" to "completely wipe out the Islamic terrorists" responsible.

[Trump Threatens to Send US Military 'Guns-a-Blazing' to Nigeria Stop Slaughter of Christians](#)

President Trump is threatening to send the U.S. military to Nigeria to stop the slaughter of Christians. Islamic terror groups there have targeted Christian communities there for decades. After first denying the problem, the Nigerian government now says it would welcome U.S. help in fighting Muslim insurgents killing Christians, as long as its territorial integrity is respected.

['Pray, Believe, Prepare': Churches Across US Step Up Security Amid Rise of Deadly Attacks](#)

Once considered sanctuaries of peace, America's churches are increasingly becoming targets of deadly violence. Since July, at least three fatal church shootings have shaken communities across the country, prompting pastors and congregations to tighten security and seek specialized training.

Highlights from Letters to Power 88

"How can you begin to explain something that is beyond your comprehension? All I know is that God is amazing! My family has been going through an extremely hard time this past year and God has seen us through. At the end of the day I give it all up to HIM! Power 88 has ministered to me in a way that nothing else could. I have always been a music lover, but only this past year have I started listening to Christian music. WOW! What a wonderful way to hear God's Word!

"God uses this station daily in my life but so many times it's in the wee hours of the morning that I hear some of the most uplifting and encouraging music. I thank God for your commitment through the years and thank each worker for blessing us with the task God has put before you."
