## The Instructional Corner

Our Winter STAR Cycle has recently closed, and I am excited to share that many of our scholars have shown growth during this school year!

This quarter our wonderful librarian, Nicole Pfeiffer has been engaging in a book club with our 3rd-5th grade scholars. One of our 5th grade scholars was caught engaging in one of the book club books during her independent reading time.

As we continue throughout the school year we want to continue to encourage our scholars to continue reading.

**Research shows that reading with your scholar at least 30 minutes daily will increase academic achievement.**

Daniya Haynes, 5th Grade, Ms. Johnson

**At home please continue to do the following:**

- Reading at least 30 minutes every night
- Practice Sight Words/Spelling Words
- Practice Math Facts
- Students can work on FRECKLE through their STAR Renaissance accounts for practice in ELA and Math.

Valentine's Day Dance

**February 10th**

Hello Lemasters families,

Scholars are invited to the school dance on February 10th. This dance is for scholars with no office referrals up until the day of the dance. Lemasters students are popping and we wanted to celebrate those that have no discipline referrals K-5th grade. This will be an opportunity for scholars to follow the schools PBIS expectations of being responsible, positive, and respectful towards peers and teachers.

The dance celebration will be held at school during the day with a cost of \$5.00 which includes entry to the dance, a message gram, drink, and a snack. Students are encouraged to pre-order in advance by Wednesday, February 9th so that we can have an accurate headcount. Students will be able to pay the day of the dance as well. Any donations will be appreciated such as chips, drinks, and candy. Thanks In Advance
