Halloween Reminders

- On Tuesday, October 31st, students are permitted to wear their costumes to school.
- Costumes should not include any weapons, gruesome designs or masks.
- The Halloween parties will take place in the homeroom classrooms.

Have a safe and fun Halloween!

Book Fair

This week was the Scholastic Book Fair. The children truly enjoyed picking out books to read at home. We thank the PTO for organizing this fun event for the children.

Spotlight on First Grade

The First Graders have been working hard this year! To celebrate The Week of Respect, the first grade discussed the importance of respect and how to be "Bucket Fillers" from the story How Full Is Your Bucket by Tom Rath and Mary Reckmeyer. Respect is also our character trait for the month of October. The students crafted sprinkle donut projects explaining ways they show kindness to other people. The first graders showed many ways they sprinkle kindness.

Dear CRS and LLE Families,

Please note the important reminders below.

- When coming into the school for a meeting or volunteering you must remember to bring a government issued ID (Driver's License) to scan in at the kiosk in the vestibule.
- Once students are dismissed (Preschool-4th) we cannot allow them to come in and use the bathroom as this creates a security concern to let multiple people in and out of the building. Additionally, those students who do enter would have to be monitored while in the building.
- Please make sure that your children do not come to school with toys. Especially the squishy toys that can pop and cause a mess for the students.
- It is very important that your child's items are labeled (i.e. outerwear, lunchboxes, thermoses).

10/31-Halloween Festivities-Please know that we are watching the weather. If we have to make changes to our parade schedule due to inclement weather then we will inform you at some point on Monday, October 30th. Times may change for CRS grade levels parade times to the morning if we have to do it indoors.
