Curriculum**

<b>Subject:</b> Music	<b>Grade:</b> 1st	<b>Unit #:</b> 1	<b>Pacing:</b> 40 weeks
--------------------------	----------------------	---------------------	----------------------------

**Unit Title: Creating Music: Musical Elements**

**OVERVIEW OF UNIT:**

Students learn the basic fundamentals of music, including but not limited to, rhythm, melody, tempo, dynamics, and form, which enables them to embrace musical creativity. Students will be introduced to musical notation and begin learning composition.

Interdisciplinary connections: Social Studies, Math, Reading, Writing, World Language, PE, Art, Science

**Big Ideas**

- The creative ideas, concepts, and feelings that influence musicians' work emerge from a variety of sources
- Musicians' creative choices are influenced by their expertise, context, and expressive intent.
- Musicians evaluate and refine their work through openness to new ideas, persistence, and the application of appropriate criteria.

**Essential Questions**

- How do musicians generate creative ideas?
- How do musicians make creative decisions?
- How do musicians improve the quality of their creative work?

**Objectives**

STUDENTS WILL BE ABLE TO:

- Demonstrate a steady beat in a group
- Echo rhythms
- Echo Melodies
- Demonstrate changes in tempo and dynamics
- Write music using modified notation
- Read music using modified notation
- Create/Improvise original pieces of music

STUDENTS WILL KNOW:

- What is a steady beat
- Duration Values for Ta, titi, tika tika rest
- Musical Elements: dynamics p f, tempo Largo Andante Allegro Presto
- Melody direction using solfeggio

### Assessment

#### Formative Assessment:

- **Participation**

**Formative: Performance: Authentic Task/ Skill Demonstration**

Students will be evaluated each class on their level of engagement, effort, and cooperation. Monthly participation grades will be recorded in the grade book.

**Teacher-Student Conferences**

Students will meet with the Teacher at regular intervals throughout the school year to set and assess student personalized learning goals.

#### Summative Assessment:

- **Teacher Observation**

**Summative: Performance: Authentic Task/ Skill Demonstration**

Students will be assessed each class for comprehension and mastery of subject/skill per teacher observation.

**Games and Activities**

#### Benchmark:

- **Pre Assessment**

**Benchmark: Performance: Authentic Task/ Skill Demonstration**

Students will be assessed through observation and/or written assessment at the beginning of the unit

#### Alternative:

- **Modified Assessment based on individual IEPs and Advanced skills**

**Performance: Authentic Task/Skill Demonstration**

Students will be assessed based on applicable skill level including modified tests, project enrichment/extension.

Practice	Description
Demonstrate creativity and innovation.	Students regularly think of ideas that solve problems in new and different ways, and they contribute those ideas in a useful and productive manner to improve their organization. They can consider unconventional ideas and suggestions as solutions to issues, tasks or problems, and they discern which ideas and suggestions will add greatest value. They seek new methods, practices, and ideas from a variety of sources and seek to apply those ideas to their own workplace. They take action on their ideas and understand how to bring innovation to an organization.

### Standards

Standard #	Standard Description
1.3A.2.Cr1a	Explore, create and improvise musical ideas using rhythmic and melodic patterns in various meters and tonalities.
1.3A.2.Cr2a	Demonstrate and explain personal reasons for selecting patterns and ideas for music that represent expressive intent.
1.3A.2.Cr2b	Use iconic or standard notation and/or recording technology to organize and document personal musical ideas
1.3A.2.Cr3a	Interpret and apply personal, peer and teacher feedback to revise personal music.
1.3A.2.Cr3b	Convey expressive intent for a specific purpose by presenting a final version of musical ideas to peers or informal audience.

**Califon Public School  
Curriculum**

<b>Subject:</b> Music	<b>Grade:</b> 1st	<b>Unit #:</b> 2	<b>Pacing:</b> 16 weeks
--------------------------	----------------------	---------------------	----------------------------

**Unit Title: Performance: Vocal and Instrumental Development**

**OVERVIEW OF UNIT:**

Students will use proper vocal and instrumental techniques while rehearsing music for Winter and Spring Music Programs. Students will demonstrate performance decorum and proper audience etiquette during listening activities and while observing other classmates performing. Students will apply appropriate music terminology in critiquing a performance.

Interdisciplinary Connections: Social Studies, World Language, Dance, ELA

**Big Ideas**

- Performers' interest in and knowledge of musical works, understanding of their own technical skill, and the context for a performance influence the selection of repertoire.
- To express their musical ideas, musicians analyze, evaluate and refine their performance over time through openness to new ideas, persistence and the application of appropriate criteria.
- Musicians judge performance based on criteria that vary across time, place and cultures. The context and how a work is presented influence audience response.

**Essential Questions**

- How do performers select repertoire?
- How do musicians improve the quality of their performance?
- When is a performance judged ready to present? How do context and the manner in which musical work is presented influence audience response?

**Objectives**

Students will be able to:

- Sing with expression in an ensemble
- Respond to conducting cues
- Memorize lyrics
- Perform movement
- Play instrumental parts with good technique and at the appropriate time
- Demonstrate age-appropriate professional performance procedures
- Apply music terminology as it relates to the performance pieces.

Students will know:

- Age-appropriate vocal technique
- Professional performance procedures
- Musical terminology as it applies to performance pieces

### Assessment

#### Formative:

##### **Participation**

Students are assessed each class during concert preparation for the following skills:

- effort
- following musical score and conductor cues
- vocal production
- memorization
- concert procedures
- instrumental technique

##### **Teacher-Student Conferences**

Students will meet with the Teacher at regular intervals throughout the school year to set and assess student personalized learning goals.

#### Summative:

##### **Authentic Task/Skill Demonstration**

Students will be assessed by observation each class period for their comprehension and accuracy of the performance material. Students will also be expected to demonstrate proper performance and audience etiquette.

##### **Performance Critique**

Written or oral student assessment of Music Concert. Information to include:

- overall performance
- areas of strength
- areas for growth
- personal accomplishments and/or areas for growth.
- professionalism

#### Benchmark:

##### **Pre Concert Preparation**

Students will be assessed through observation and authentic skills proficiency during weeks prior to concert preparation to determine appropriate age and skill level music for the Winter Concert.

#### Alternative:

##### **Modified Assessment based on individual IEPs and Advanced skills**

##### **Performance: Authentic Task/Skill Demonstration**

Students will be assessed based on applicable skill level including modified tests, project enrichment/extension

**Unit Title: Responding to Music: Music History and World Music/Listening Skills**

**OVERVIEW OF UNIT:**

Students will learn to be active listeners and demonstrate proper audience etiquette. Students will be exposed to a wide variety of musical styles and composers from various periods of music history. Students will be able to critique and express themselves through music. Students will be introduced to music from many cultures. Interdisciplinary Connections: Social Studies, Art, Dance, ELA, World Language

**Big Ideas**

- Individuals' selection of musical works is influenced by their interests, experiences, understandings, and purposes. Response to music is informed by analyzing context (e.g., social, cultural, historical) and how the creator(s) or performer(s) manipulate the elements of music.
- Through their use of elements and structures of music, creators and performers provide clues to their expressive intent.
- The personal evaluation of musical work(s) and performance(s) is informed by analysis, interpretation, and established criteria.

**Essential Questions**

- How do individuals choose music to experience? How does understanding the structure and context of music inform a response?
- How do we discern the musical creators' and performers' expressive
- How do we judge the quality of musical work(s) and performance(s)?

**Objectives**

**Students will be able to:**

- Demonstrate active listening skills
- Demonstrate proper audience etiquette
- Express music through movement, oral or written response, art, and other hands-on activities.
- Distinguish characteristics of various historical and cultural genres
- Respond to historical and cultural genres through singing, movement, games/activities, and playing authentic instruments

**Students will know:**

- The definition of active listening
- Proper audience etiquette: quiet voice and body, active listening, when to clap.
- Response to music is individual; there is not right or wrong.
- How specific works of music and composers fit into historical context

- Cultural influences on music

### Assessment

#### Formative Assessment:

- **Teacher Observation**

**Observation of student active listening skills.**

- Student is listening
- Student is quiet
- Student response i.e. written, oral

- **Teacher-Student Conferences**

Students will meet with the Teacher at regular intervals throughout the school year to set and assess student personalized learning goals.

- **Class Discussions**

Practice	Description
Demonstrate creativity and innovation.	Students regularly think of ideas that solve problems in new and different ways, and they contribute those ideas in a useful and productive manner to improve their organization. They can consider unconventional ideas and suggestions as solutions to issues, tasks or problems, and they discern which ideas and suggestions will add greatest value. They seek new methods, practices, and ideas from a variety of sources and seek to apply those ideas to their own workplace. They take action on their ideas and understand how to bring innovation to an organization.

**Enrichment**

- Process should be modified: higher order thinking skills, open-ended thinking, discovery
- Utilize project-based learning for greater depth of knowledge
- Utilize exploratory connections to higher-grade concepts
- Contents should be modified: real-world problems, audiences, deadlines, evaluations, transformations
- Learning environments should be modified: student-centered learning, independence, openness, complexity, and groups should be varied
