- Students MUST wear closed-toed shoes for P.E. Coaches will not allowed students on the new playground without closed-toed shoes.
- We do have a friend with a peanut allergy. Please do not send your child to school with anything with peanuts or nuts. Thank you for your help!

★ SUPPORTING YOUR STUDENT AT HOME

Make sure your child is trying to read decodable passages out loud to you or someone in their home. The passages inside their reading folder are good practice for them to work out the skills we've been working on in school. To extend the story, have your child write an alternate ending or what their favorite part of the story. If you need any other ideas to help your child build their fluency, please let me know.
