GOSHEN HIGH SCHOOL SCHOOL-PARENT COMPACT

Goshen High School, and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Every Student Succeeds Act of 2015, agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve Alabama's College and Career Readiness Standards. This school-parent compact is in effect during school year 2022-2023.

School Responsibilities:

Goshen High School will:

1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating students to meet Alabama's College and Career Readiness Standards.
2. Hold **parent-teacher conferences** during which this compact will be discussed as it relates to your child's achievement. Specifically, those conferences will be arranged by either the parent or teacher to be held during the teacher's planning block, school parent teacher conference days and/or before or after school based on teacher/parent availability. GHS will hold parent/teacher conferences on **October 13, 2022**, and **March 23, 2023**.
3. Provide parents with frequent reports on their children's progress. Specifically, the school will provide **progress reports** as follows: **9/8/22, 11/17/22, 2/9/23, and 4/13/23**. Report cards will be given out on **10/13/22, 1/12/23, and 3/16/23**. PowerSchool can also be used to check progress daily. You may see the school secretary to sign up for access.
4. Provide parents reasonable access to staff. Specifically, staff will be available for consultation with parents before and after school and during their planning blocks. Please make appointments with teachers or through the office to insure the teacher will be available to meet.
5. Provide parents opportunities to **volunteer and participate** in their child's class, and to observe classroom activities.
6. Ensure regular two-way, meaningful communication between family members and school staff, and, to the extent practicable, in a language that family members can understand by regularly and routinely utilizing school messenger to communicate upcoming event, testing and school happenings. Messages will be to the point and easily understood. School administrators and staff will adhere to a scheduled open door policy and will provide feedback opportunities such as surveys.

In addition, if my child is a virtual student, I will provide further support by...

- Monitoring daily lessons and grades.
- Staying informed about my child's education and communication with the school by promptly reading and responding to all notices.
